MID MURRAY COUNCIL AREA

COUNCIL BACKGROUND

With some 220 Kilometres of the mighty River Murray flowing through the region, along with ancient cliffs and thriving farmland, Mid Murray Council is a diverse and picturesque landscape. The Mid Murray Council was formed on 1 July 1997 through the amalgamation of the District Council of Mannum, District Council of Morgan, District Council of Ridley-Truro and part of the District Council of Mount Pleasant. The Council area comprises land within regions generally known as the Murraylands, Riverland and the eastern slopes of the Mount Lofty Ranges.

COUNCIL OFFICES

The Principal office of the Council is situated in Mannum. This is the site for Council's Administration and Finance functions. The Cambrai Council office houses the Planning, Building Control and Environmental Health functions. The Morgan & Districts Community Hub incorporates the Council Office for the Morgan District

COUNCIL AREA

The Mid Murray Council covers an area of 6.266 square kilometres. The township of Mannum is located 89 Kilometres east of Adelaide on the banks of the Murray River. The Mid Murray Council's road network is extensive and is the second largest of local government areas in South Australia totalling 3,382 Kilometres. Mid Murray Council shares boundaries with eight other South Australian Councils plus the Outback Community Authorities. These are Rural City of Murray Bridge, Barossa Council, Regional Council of Goyder, Light Regional Council, Adelaide Hills Council, District Council of Mount Barker, District Council of Loxton Waikerie and District Council of Karoonda East Murray.

The towns/settlements with the Council include – Big Bend, Black Hill, Blanchetown, Bower, Bowhill, Cadell, Cambrai, Caloote, Curnamont, Cowirra, Dutton, Forster, Greenways, Keyneton, Kroehns Landing, Mannum, Milendella, Morgan, Murbko, Mt Mary, Nildottie, Palmer, Pompoota, Ponde, Punthari, Punyelroo, Purnong, Rockleigh, Sandleton, Sanderston, Sedan, Swan Reach, Tepko, Truro, Tungkillo, Walker Flat, Wall Flat, Wongulla and Younghusband

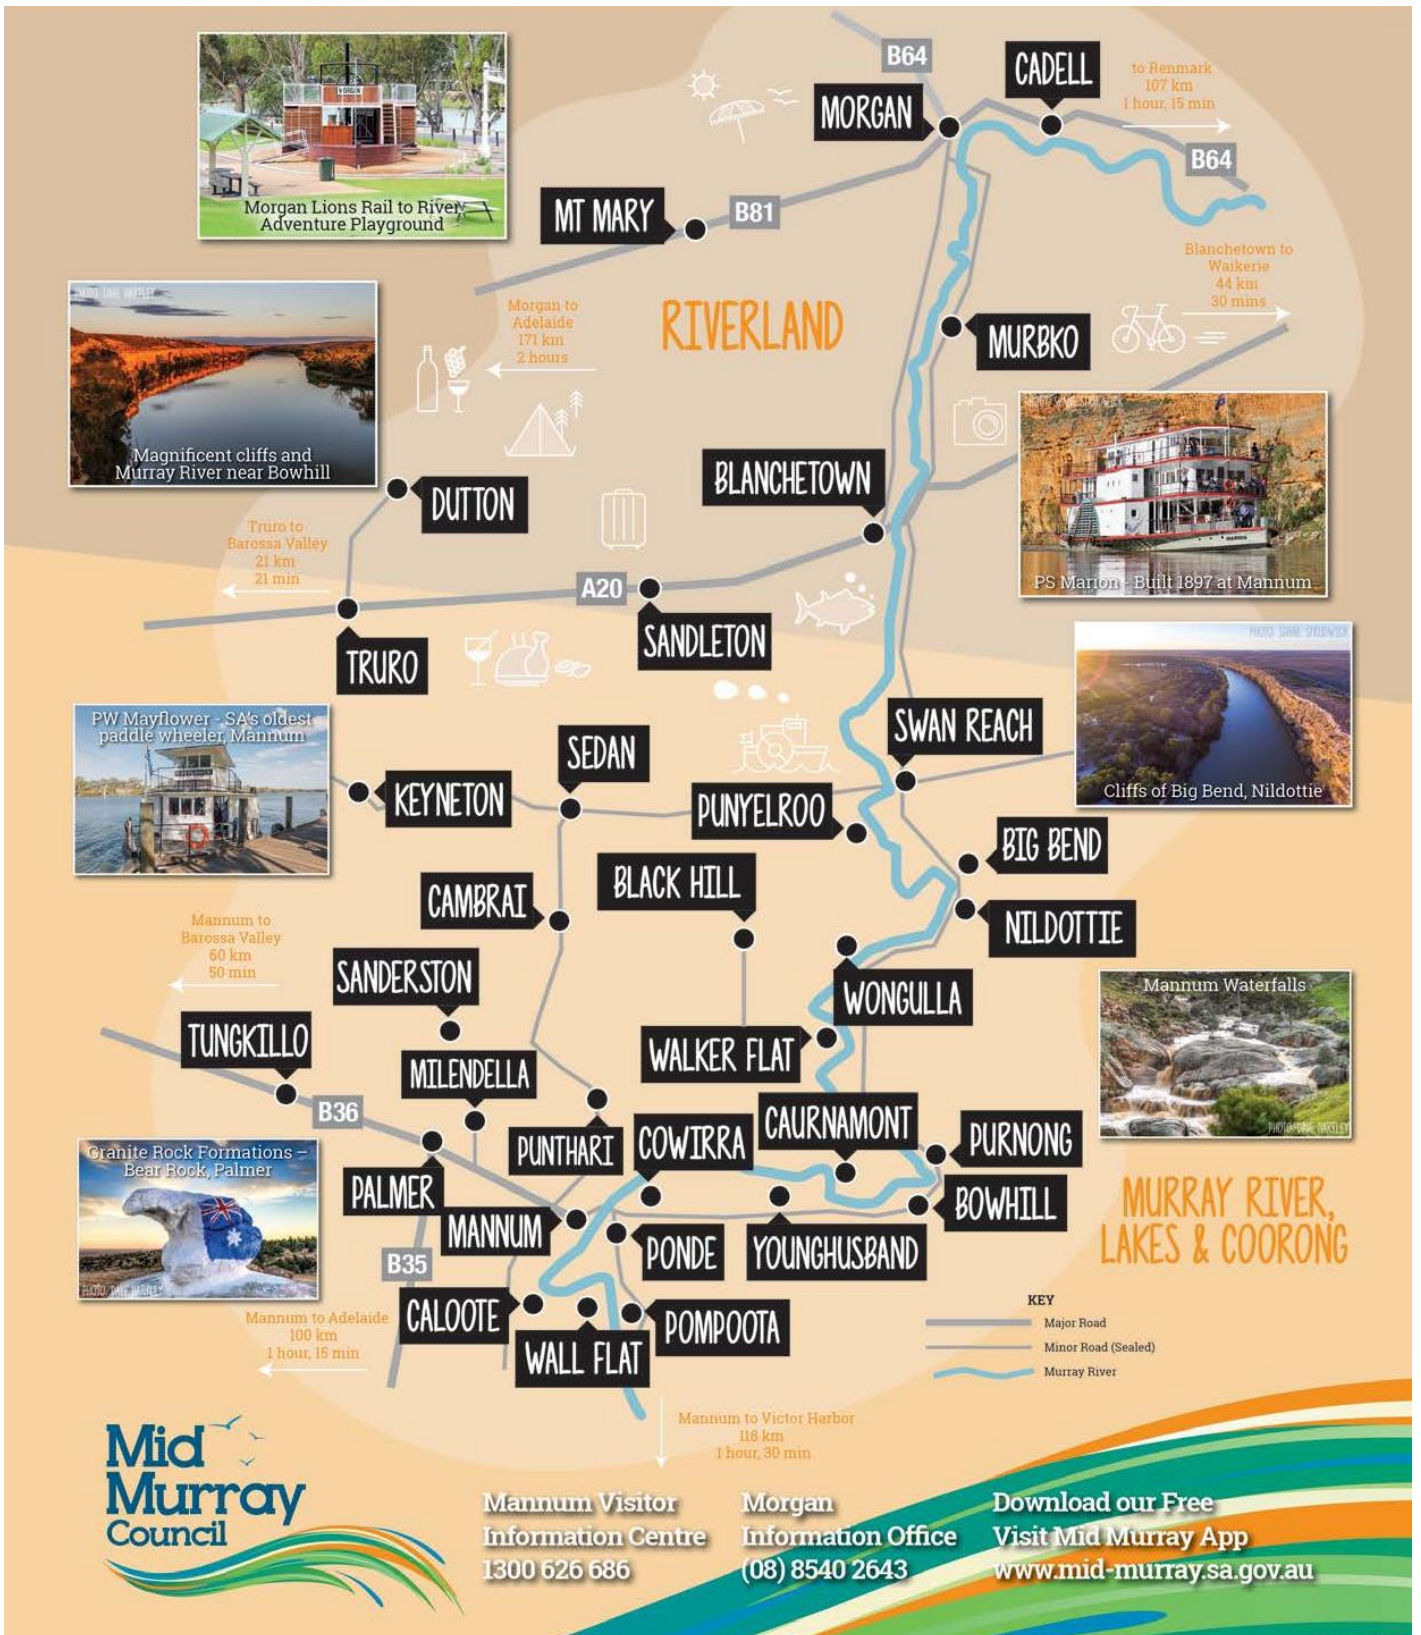

POPULATION

The population of the Mid Murray Council is 9,355 residents. At any given time there are significantly more additional visitors residing in the community as tourists or people frequenting their holiday home. At peak tourist season from December to February the population can grow to almost 20,000.

EMPLOYMENT

The Major employment in the region is linked to primary production (broad acre grains, livestock, horticulture, fruit, nuts and wine grapes), tourism and hospitality, health and community services, construction and building, education, light manufacturing and business services. The regional centre of Mannum and other townships also provide a range of retail and some public service facilities.

HOME AND COMMUNITY CARE (HACC) *(Funded by the Australian Government under the HACC Program)*

Home and Community Care (HACC) is a joint Commonwealth, State and Territory initiative providing funding for services to assist older and younger (with moderate to severe disability) people to remain living in their homes for as long as possible. An assessment will be made to determine the eligibility of the applicant, the extent and priority of the work and the estimated time and materials required to undertake the work.

Only work which meets the following criteria will be undertaken:

- to reduce the risk of injury
- to improve the quality of life of the client
- to improve security
- to enable the client to stay in their homes longer
- to carry out minor home maintenance

HACC provides assistance with home maintenance and modification, such as:

- Access and egress to house
- Handrails in shower, bath or toilet
- Access ramps to front and back doors of house
- Access ramp to allow access to car
- Gutter repairs, garden/roof maintenance
- Installation of smoke alarms

A person is permitted one service per financial year. If cost of work required exceeds the amount allocated (under the Program) for the client’s requested work, clients will be required to pay any additional amount – to the contractor or to the Council for home modification/maintenance. Any additional cost will be advised to the client prior to the commencement of work. You may currently not be eligible for use of services, however do not hesitate to call if your needs increase and/or your situation changes. Refusal will not prejudice future access to services.

All requests for assistance are to be directed to My Aged Care on 1800 200 422 or via the My Aged Care website www.myagedcare.gov.au
