1. Purpose

- 1.1 This is a mandatory policy pursuant to Section 91A of the *Local Government (Elections) Act 1999* (the Act).
- 1.2 The Policy affirms Council's commitment to fair and democratic elections based upon the principle that outgoing elected bodies should not use public resources for election campaigning, nor make decisions which may unreasonably, inappropriately, or unnecessarily bind an incoming Council.

2. Scope

- 2.1 The Policy applies throughout the election period for a general election. For the purposes of the Local Government Elections of November 2022, the Policy commences on 6 September 2022 and ends at the conclusion of the election, when results have been declared.
- 2.2 The Policy applies to:
 - 2.2.1 Council; and
 - 2.2.2 Council staff
- 2.3 The Policy does not apply to Supplementary Elections.
- 2.4 In this Policy:
 - 2.4.1 All references to 'Elected Members' should be read as including the Mayor and the Deputy Mayor; and
 - 2.4.2 All references to the Chief Executive Officer (CEO) should be read as including an Acting CEO and their delegate.
- 2.5 The Policy applies during an election period of Council to:
 - 2.5.1 Designated decisions made by Council, as defined by the Act;
 - 2.5.2 The use of Council resources, including:
 - Materials published by Council;
 - Equipment and stationery;

- Hospitality services and attendance/participation at functions and events;
- Access to Council information;
- Media services issues;
- Responsibilities of Council staff; and

2.5.3 Other significant decisions that are made by the Council.

2.6 The Policy does not apply to the Council Assessment Panel, as the Panel is established under Section 83 of the *Planning, Development and Infrastructure Act 2016*, which does not make decisions which fall within the definition of designated decision.

3. Objectives

- 3.1 During a Local Government election period, Council will assume a 'Caretaker mode' and will avoid actions and decisions which could be perceived as intended to affect the results of an election or have a significant impact on, or unnecessarily bind, the incoming Council.
- 3.2 The purpose of this Policy is to clearly set the parameters that Council will operate within during an election period. Caretaker provisions are required pursuant to section 91A of the Act and are generally regarded as necessary for the promotion of transparent and accountable government during an election period.

5. Policy

5.1 'Designated decisions' prohibited by the *Local Government (Elections) Act 1999*

- 5.1.1 Council is prohibited from making a designated decision during an election period. A decision of the Council includes a decision of:
- 5.1.1.1 A committee of Council; and
 - 5.1.1.2 A delegate of Council
- 5.1.2 In accordance with section 91A(8) of the Act "Designated decision" means a decision:
- 5.1.2.1 Relating to the employment or remuneration of a CEO other than a decision to appoint an acting CEO; or to suspend the CEO for serious and wilful misconduct;
 - 5.1.2.2 To terminate the appointment of a CEO; or
 - 5.1.2.3 To enter into a contract, arrangement or understanding (other than a contract for road construction, road maintenance or drainage works) the total value of which exceeds whichever is the greater of \$100,000 or 1% of the Council's revenue from rates in the preceding financial year, except if the decision:
 - I. relates to the carrying out of works in response to an emergency or disaster within the meaning of the *Emergency Management Act 2004*, or under section 298 of the *Local Government Act*;
 - II. is an expenditure or other decision required to be taken under an agreement by which funding is provided to Council by the Commonwealth or State Government or otherwise for Council to be eligible for funding from the Commonwealth or State Government;
 - III. relates to the employment of a particular Council employee (other than the CEO);
 - IV. is made in the conduct of negotiations relating to the employment of Council employees generally, or a class of Council employees, if provision has been made for funds relating to such negotiations in the budget of the Council for the relevant financial year and the negotiations commenced prior to the election period; or
 - V. relates to a Community Wastewater Management System scheme that has, prior to the election period, been approved by Council.

5.2 Treatment of other significant decisions prohibited by this Policy

- 5.2.1 So far as is reasonably practicable, the CEO should avoid scheduling significant decisions (including major policy decisions) for consideration during an election period and, instead, ensure that such decisions are:
- considered by Council prior to the election period; or
 - scheduled for determination by the incoming Council.
- 5.2.2 A 'significant decision' is any major policy or other decision which will significantly affect the Council area or community, or will inappropriately bind the incoming council
- 5.2.3 In the context of this Policy, a 'major policy decision' may include any decision:
- to spend unbudgeted monies;
 - to conduct unplanned public consultation;
 - to endorse a new policy;
 - to approve community grants;
 - to progress any matter which has been identified as an election issue; or
 - any other issue that is considered a major policy decision by the CEO that is not a designated decision.

- 5.2.4 The determination as to whether a major policy or other decision is significant will be made by the CEO, after consultation with the Mayor or Committee Presiding Member. The CEO must keep a record of all such determinations made by the CEO (including by previous CEO's) and make this list available to candidates upon request.
- 5.2.5 Where the CEO has determined that a decision is a major policy or otherwise significant decision, but circumstances arise that require the decision to be made during the election period, the CEO will report this to Council.
- 5.2.6 The aim of the CEO's report to Council is to assist Council to assess whether the decision should be deferred for consideration by the incoming Council.
- 5.2.7 The CEO's report will address the following issues, where relevant:
- a) why the matter is considered 'significant';
 - b) why the matter is considered urgent;
 - c) what are the financial impacts and other potential consequences of postponing the matter until after the election, on both the current Council and incoming Council;
 - d) whether deciding the matter will bind or significantly limit the policy choices of the incoming Council;
 - e) whether the matter requires the expenditure of unbudgeted funds;
 - f) whether the matter is the completion of an activity already commenced and previously endorsed by Council;
 - g) whether the matter requires community engagement;
 - h) any relevant statutory obligations or timeframes; and
 - i) whether dealing with the matter in the 'election period' is in the best interest of the Council area and community.
- 5.2.8 Council will consider the CEO's report and determine whether or not to make the decision.

5.3 Prohibition on the use of Council resources

- 5.3.1 Council resources must not be used for the advantage of a particular candidate or group of candidates.
- 5.3.2 For clarity, neither the Act, nor this Policy prohibits a council providing resources to all members of the public, which incidentally includes all candidates for election.
- 5.3.3 The following Council resources must not be used for the advantage of a particular candidate or group of candidates and may only be used by Elected Members, where necessary, in the performance of their ordinary duties as an Elected Member:

- 5.4.1 A designated decision made by Council during an election period is invalid, except where an exemption has been granted by the Minister.
- 5.4.2 Any person who suffers loss or damage as a result of acting in good faith on a designated decision made by Council in contravention of this Policy is entitled to compensation from Council for that loss or damage.

5.5 Application for exemption

- 5.5.1 If Council considers that it is faced with extraordinary circumstances which require the making of a designated decision during the election period, Council may apply, in writing, to the Minister for an exemption to enable the making of a designated decision that would otherwise be invalid under section 91A of the Act and this Policy.
- 5.5.2 If the Minister grants an exemption to enable the making of a designated decision that would be invalid under section 91A of the Act and this Policy, then Council and Council staff will comply with any conditions or limitations that the Minister imposes on the exemption.

- 5.7.3 Elected Members are permitted to publish campaign material on their own behalf, but cannot assert that the material is originating from, or authorised by Council (e.g., using Council logos or their Council email address).

NOTE: 'Publication' means any type of publication, including but not limited to leaflets, newspapers, posters, email, website, radio, social media etc.
- 5.7.4 Insofar as any Council publications, such as the Annual Report, are required to be published during an election period, the content contained within them regarding Elected Members will be restricted to that prescribed by the *Local Government Act and Regulations*.
- 5.7.5 Council publications produced before an election period containing material which might be construed as electoral material must not be circulated or displayed during the election period. However, these materials may be made available to members of the public upon request.
- 5.7.6 If the Council quarterly newsletter is scheduled to be published during the election period, the CEO may use this publication as an opportunity to promote the upcoming election.
- 5.7.7 Elected Member columns will not be included in the Council quarterly newsletter published during the election period. The profiles of all candidates may be included in place of the Elected Member columns.
