

Mid Murray Council

2022-2023

Annual Report

ABOUT MID MURRAY COUNCIL

Location:	1 hour east of Adelaide CBD
Population:	9,415
Rateable properties:	10,574 (as at 30 June 2023)
Area:	6,273 square kilometres
Operating Income:	\$31.1 million
Operating Expenditure:	\$34 million
Staff:	92 (FTE)

Mid Murray Council is pleased to present its Annual Report for 2022/2023.

This report outlines Mid Murray Council's performance over the 2022/2023 financial year against the objectives of the [Annual Business Plan & Budget 2022/2023](#), Council's four year Strategic Plan, [Our Plan 2020-24](#), and the [Long Term Financial Plan](#).

This report is designed to meet Council's obligations under Section 131 of the [Local Government Act 1999](#).

Council's website mid-murray.sa.gov.au provides more information about Mid Murray Council's activities, policies and plans for the future.

If you would like more information about any item in this report, please visit mid-murray.sa.gov.au, email postbox@mid-murray.sa.gov.au or phone 08 8569 0100.

ACKNOWLEDGEMENT OF COUNTRY

Mid Murray Council would like acknowledge and pay respect to the Traditional Custodians of the land: the Ngadjuri, Ngaiawang, Ngangaruku, Ngarkat, Ngarrindjeri, and Peramangk Peoples of the Mid Murray lands and waters.

It is upon their ancestral areas that the Mid-Murray Council meets and operates, and Council pays respect to Elders, past and present, and their spiritual beliefs and connections to land and waters, which are of continuing importance to the those First Nations Peoples of today.

Council further acknowledges the contributions and important role that Aboriginal and Torres Strait Islander Peoples continue to play within its shared community, and to the cultural authority of Aboriginal and Torres Strait Islander Peoples visiting or attending the Council area from other areas of South Australia and Australia.

MESSAGE FROM THE MAYOR & CHIEF EXECUTIVE OFFICER

The past year has been one of the most challenging for Council and our community.

Our district is no stranger to natural disasters, however the 2022/2023 River Murray flood was one of the most damaging in living history.

Council responded to the situation early, putting in place temporary levees where possible to protect key infrastructure and communities. The sheer size and scale of the flood, however, required an enormous response from Council, emergency services, and our community.

Over 2,300 properties were inundated – about 35% of all homes in the Mid Murray district. Council itself has spent an estimated \$9.4M on flood response, mitigation and clean-up measures for 2022/2023. Our impacted assets included the Mannum Dock Discovery Centre, 28 Community Wastewater Systems including treatment and sewerage plants, 19 public toilets, 155km of roads, over 30 open space areas including riverfront reserves, playgrounds and campgrounds, 80 river facilities such as boat ramps, jetties, pontoons, landings and the Morgan and Mannum caravan parks.

We are extremely grateful to the emergency services who responded to and supported us through the flood, as well as the State and Federal Governments, and the many other agencies, organisations and our community, who have assisted with flood recovery.

Our community, in particular, has shown its strength in a time of crisis by coming together to support each other. We have always admired our community's strong connections, resilience, commitment to service and optimistic outlook, but to see it swing into action during a disaster was truly inspiring.

Council continues to count the cost of the flood, with the clean-up and repair works remaining a priority into 2023/2024. We will work to secure funding to cover these costs from outside sources wherever possible to reduce the impact on our community and ratepayers.

The flood and its impact on Council's resources has also resulted in delays to some projects, including infrastructure works. Council will seek to prioritise these projects in 2023/2024.

In response to the floods, Council's advice on a number of changes to State building and planning rules was adopted by the SA Government. This includes raising finished floor levels and restricting underfloor enclosures on any new buildings built in flood-prone areas. It is hoped these changes, along with others adopted, will lead to more buildings that are better designed to withstand future floods.

The past year has been one of change within Council also. At the November 2022 Local Government Elections, new Mayor Simone Bailey was elected, along with six new Councillors who joined two returning Councillors. This was also the first election that incorporated changes made through Council's Representation Review that reduced the number of Elected Members from nine to eight.

As with many organisations, Council was impacted by substantial operating cost increases during 2022/2023, due largely to soaring inflation. In February 2023, the Essential Services Commission of SA (ESCOSA) reported that Council's financial position was potentially unsustainable. ESCOSA's recommendations reflected Council's own commitment to financial sustainability and our work to identify efficiencies and cost savings continues to ensure our community is getting value for money for the services, infrastructure and programs it needs.

This work will continue into 2023/2024 as Council revises its Strategic Plan with a view to identifying our community's essential priorities, and areas of further future savings and efficiencies. This will ensure that the work we do over the next decade meets our community's requirements and expectations, while also returning Council to a more sustainable long-term financial position.

A highlight for the year was the adoption of Council's first Reconciliation Action Plan (RAP). This plan will assist Council as it works to support reconciliation within the organisation into the future. Council will be guided by both its RAP on measures to better support local First Nations peoples.

Council is committed to working with our community and will continue to actively do this, noting that this is an area that Council can improve.

We look forward to working closely with our community into 2023/2024 as we reshape our Strategic Plan and work towards a brighter future together.

Ben Scales
Chief Executive Officer

Simone Bailey
Mayor

STRATEGIC MANAGEMENT FRAMEWORK

Council is committed to an integrated approach to strategic planning.

Council's Strategic Plan, [Our Plan 2020-24](#), outlines how it will implement its Purpose, Ambition, Strategies and Framework set out in the [Long Term Financial Plan](#), and informs the [Annual Business Plan & Budget](#) process.

Council's [Long Term Financial Plan](#) is used to guide the organisation's financial decision to ensure Council remains financially sustainable in the medium to long term while still achieving the objectives detailed in Council's Strategic Plan.

The Council's Strategic Management Framework ensures:

- accountability to the community;
- effective use of existing resources to maximise economic, social, and environmental outcomes;
- accurate measuring and reporting processes;
- a strong knowledge base for decision making;
- clear strategic directions and corporate goals; and
- effective administrative and governance procedures.

COUNCIL'S STRATEGIC PLAN - OUR PLAN 2020-24

In November 2020, Council adopted a four Year Strategic Plan – [Our Plan 2020-24](#).

Our Plan 2020-24 built on the foundations of the previous strategic plan, the [Community Plan 2016-2020](#), which was developed in partnership with the community by Council in 2016.

The community played a key component in the development of *Our Plan 2020-24* and a thorough community consultation process was undertaken to inform the direction of the plan.

Our Plan 2020-24 sets the direction for the business for four (4) years, and covers the period from 1 July 2020 to 30 June 2024, and shapes the future of Council's operations.

Each Theme of *Our Plan 2020-24* has identified Strategic Goals, as well as key activities and measures to drive and deliver clear outcomes and accountability.

Yearly operational plans are developed for each 12-month period to guide operational deliverables.

Our Plan 2020-24 is the key instrument for the delivery of programs and services to the community and the long-term financial sustainability of Council and guides the development of Council's [Annual Business Plan & Budget 2022/2023](#).

Our Plan 2020-24 sets out Council's purpose, ambition and strategic goals of the organisation, as set out below:

Council's Purpose

Work collaboratively to strengthen and enrich our community

Council's Ambition

Prosperity. Liveability. Sustainability

Theme 1 - Our Business

Through effective leadership, our Council is sustainable, innovative and values our community and dedicated staff.

Strategic Goals

1. We are customer focussed and deliver quality outcomes for our community
2. We are financially responsible, accountable and efficient with our community's money
3. Our processes and systems identify, prioritise and reduce risk to Council's operations.
4. Our team is valued and we are an employer of choice
5. Our Council is united and provides leadership to our community
6. Our Community is engaged and we consult and communicate effectively

Theme 2 - Our Community

Our community is healthy, engaged and connected with a strong sense of pride and belonging

Strategic Goals

1. Our community is engaged, thriving, supported and connected
2. The significance of our volunteers and their contribution to the community is recognised
3. The health, wellbeing and resilience of our community is enhanced
4. Our region has appropriate open spaces and facilities to encourage sport, recreation and active lifestyles
5. We have thriving and welcoming community organisations and sporting clubs
6. Aboriginal and Torres Strait Islander heritage and culture is acknowledged, valued, preserved and celebrated
7. Our community connects with our region's heritage and charm

Theme 3 - Our Environment

Our unique environment is valued, preserved and protected for future generations

Strategic Goals

1. Our natural environment and assets are preserved, protected and enhanced to ensure enjoyment by future generations
2. Our reliance on water from the River Murray is reduced to ensure its protection and viability
3. Our townships and holiday home areas balance development with respect for the river and its ecology
4. Our Carbon footprint is reduced
5. Our community are adaptive to a changing climate
6. Our townships develop in a sustainable manner with less demand for resources
7. Our historical sites and buildings are fostered as key assets of community interest

Theme 4 - Our Growth

Our region is thriving through opportunities created by economic development, population growth and tourism.

Strategic Goals

1. Support and encourage economic growth and the development of a diverse business sector
2. Build on our critical infrastructure and technology network
3. Grow our population
4. Develop our diverse tourism sector
5. Our cultural and natural environment assets are leveraged in a sustainable manner
6. Our historical sites and buildings are fostered as key assets of community interest

Theme 5 - Our Lifestyle

Our region is welcoming, vibrant and a sustainable place to live, work and play

Strategic Goals

1. Our infrastructure is responsibly managed and our delivery is planned and sustainable
2. Our diverse community and region is supported by a quality, safe and sustainable public realm
3. Our townships and open spaces are vibrant and welcoming
4. Our infrastructure complements and reflects the character of our natural environment and heritage

ANNUAL BUSINESS PLAN AND STRATEGIC PLAN REPORTING

The [*Annual Business Plan 2022/2023*](#) was prepared in accordance with the priorities of Council's [*Long Term Financial Plan*](#) and [*Our Plan 2020-24*](#), whilst ensuring the financial targets adopted by Council are met.

The key projects for 2022/2023 were as follows, noting that Council's ability to deliver Strategic objectives and initiatives across the period was impacted significantly by the 2022/2023 River Murray flood on Council's resources and focus:

Our Business: Key Activities 2022/2023		
Key Activity	Status	Comment
Implement on-ledger full cost attribution for all Financial reporting	Ongoing	To be completed in 2023/2024.
Investigate replacement of the current payroll system.	In progress	Business case completed, Infrastructure and Field Services have a requirement to implement a new resource booking application prior to decommissioning the present payroll system.
Review Council's Business Continuity Plan	Completed	Business Continuity Plan reviewed and updated, V4.2 issued December 2022
Review of customer service delivery	Completed	Implementation of phase one of improvements, being a single number for contacting the council.
Implementation of outcomes from the Mannum Waters Separate Rate consultation	Completed	Mannum Separate Rate declared in 2022/2023 (first of fifteen years)
Implementation of Email Cloud services	Completed	
Review and improve communication resilience at main office locations.	Completed	Office and depot sites have been transitioned from old technology network tower system, and have been replaced with dual technology communication methods, NBN and 4G (failover) for improved connectivity and built in redundancy.
Development of e-communication to ratepayers.	Ongoing	Commencement of initial planning, to be implemented in 2023/2024

Our Community: Key Activities 2022/2023		
Key Activity	Status	Comment
Implement Mid Murray Council's <i>Reflect Reconciliation Action Plan</i>	In progress	Priority deliverables from the Mid Murray Reconciliation Reflect Action Plan have been actioned. 2022/2023 has been developed, endorsed by Reconciliation Australia and adopted by Council.
Review of Community Services facilities to identify areas for continuous improvement	In progress	Community surveys and data analysis has commenced. Review and improvement strategies to be progressed in 2023/2024
Construction of the Murray Coorong Trail - Swan Reach to Nildottie	In progress	The construction of this section of the Murray Coorong Trail incorporating Swan Reach and Nildottie townships is underway. Stage due for completion in 2023/2024
Seek funding opportunities, in partnership with neighbouring Council's, to construct remaining sections of the Murray Coorong Trail	Ongoing	Working collaboratively with Rural City of Murray Bridge, Coorong District Council and Department of Environment and Water to consider future funding opportunities for the Trail's construction as well as levee stabilisation and repair following the 2022/2023 River Murray Flood. \$410,000 of funding was secured for the detailed design through the Murray Darling Basin Economic Development Program. An external contractor engaged and the detailed design is in the process of being developed.
Implementation of Council's <i>Disability Action & Inclusion Plan</i>	Ongoing	Continual review of Council's DAIP. Discussions held with LGAIN & DHS on a more simplified DAIP for 2025-2029 including templates. During 2023/2024 financial year; in-house training to EMs on DAIP; on-going access audits/DAIP input with all departments. A further 2 actions completed, 21 on-going and 2 yet to start.
Implementation of the <i>Regional Public Health Plan</i> priorities	Ongoing	Implementation of the Regional Public Health Plan priorities continues with a focus on wellbeing, resilience and healthy living. Continuation and further improvements in our mosquito management program and immunisation program, and engage the local food handlers through training and community engagement to improve their food safety knowledge.

Our Community: Key Activities 2022/2023		
Key Activity	Status	Comment
Delivery of targeted health and wellbeing programs and services	Ongoing	Continued to partner with stakeholders to deliver appropriate health and wellbeing programs as well as providing information to support community.
Partner with community to implement initiatives of the “Mid Murray Our Town” Mental Health Plan	Ongoing	Support of the Mid Murray Our Town (MMOT) initiative has continued to be delivered , with a refined focus on the Swan Reach and surrounding communities as directed by feedback from The Fay Fuller foundation. Key focus areas, which are: connection within communities, reducing stigma and mental health training, education and upskilling of community to support their own and peers wellbeing.
Delivery of the Community Grants program	Completed	Community Grant funding to the value of \$46,833.81 was awarded to community groups for the 2022/2023 financial year.
Health and Medical Services advocacy	Ongoing	A health and medical services review has commenced, with further work to be progressed in the 2023/2024 financial year.
Mid Murray Family Connections Collective Impact Initiative and advocacy	Ongoing	The initiative continues to identify opportunities to reduce childhood vulnerability and improve family wellbeing.
Partner with Mannum Oval Complex user groups to plan, advocate and prioritise the future of the site	Ongoing	Working collaboratively with all users of the site to establish long term goals and needs. Assisted to create an overarching incorporated committee.
Develop a Volunteer Management Program	Ongoing	All Volunteer Management Procedures have been updated. Review of position descriptions and training needs analysis is ongoing, new position descriptions have been created for 44 volunteer position titles. Training needs analysis has been reviewed. Volunteer Policy and Procedure reviewed awaiting endorsement.
Provide support to committees and networks – eg the Mid Murray Suicide Prevention network, Mannum Institute Committee	Ongoing	Support is provided to community groups to build their capacity to strengthen development, participation and sustainability.

Our Environment: Key Activities 2022/2023		
Key Activity	Status	Comment
Progression under the <i>Planning, Development & Infrastructure Act 2016</i>	Ongoing	Submissions on various aspects of the Planning and Design Code have been completed, as well as advocating for improved, localised planning policy. Work will continue in this space to advocate for amended planning policy, particularly following the 2022/2023 Flood Event.
Development of Truro Township Masterplan	Completed	The Masterplan was endorsed at the October 2023 Council meeting, following community consultation.
Finalisation of design and costing for Wongulla CWMS	Completed	Final costing and design details have now been received from the design Engineers. This information has been provided to the LGA who will determine whether the project will proceed to full construction, subject to public consultation.
Finalisation of Council's Building Asset Management Plan	Completed	The Building Asset Management Plan has been endorsed by Council.
Implementation of Council's Disability Access & Inclusion Plan	Ongoing	Continual review of Council's DAIP. Discussions held with LGAIN & DHS on a more simplified DAIP for 2025-2029 including templates. During 2022/2023 financial year; in-house training to EMs on DAIP; on-going access audits/DAIP input with all departments. A further 2 actions completed, 21 on-going and 2 yet to start.
Implementation of the Regional Public Health Plan	Ongoing	Implementation of the Regional Public Health Plan priorities continues with a focus on wellbeing, resilience and healthy living. Continuation and further improvements in our mosquito management program and immunisation program, and engage the local food handlers through training and community engagement to improve their food safety knowledge.
Implementation of Animal Management Plan 2020-2025	Ongoing	Implementation of reviewed dog registration fees and rebates. Upgrade to Mannum dog pound commenced. Further objectives of the Animal Management Plan continue to be implemented.

Our Environment: Key Activities 2022/2023		
Key Activity	Status	Comment
Development of Mid Murray Growth Strategy	Ongoing	Yet to commence, subject to budget or funding.
Development of Mid Murray Council Environmental Management Plan	Ongoing	Yet to commence, subject to budget or funding.
Mannum Institute Stage 2 progression of design and costings for retaining wall and stormwater	Ongoing	Works to be scoped and discussions to be held with adjoining land owners.

Our Growth: Key Activities 2022/2023		
Key Activity	Status	Comment
Implementation of the Astro Tourism strategy for the River Murray International Dark Sky Reserve	Ongoing	Priorities within the strategy continue to progress, including advocating for funding and promotion, and will continue to be implemented across 2023/2024.
Development of Economic Development strategy	In progress	Work has commenced on the strategy development and budget secured for the employment of an Economic Development Officer, and this will be progressed in 2023/2024.
Regional infrastructure advocacy, including the delivery of the Truro bypass	Ongoing	Secured funding to undertake a master plan for Truro and deliver associated works as part of the Truro bypass project.
Complete a land supply and housing option audit	Ongoing	Funding applied for to undertake land supply and housing audit.
Partnering with RDA to undertake a skills audit of business capability in the region	Ongoing	Impacted by the River Murray flood.
Reviewing and updating Tourism strategy for the region & Implementation of the Astro Tourism strategy for the River Murray International Dark Sky Reserve	Ongoing	This work had been stalled by the River Murray flood. Focus has been on the development of strategic priorities for both the Mid Murray Heritage & Maritime Committee and Dark Sky Committee, with a review and updated tourism strategy for the region to follow.
Delivery of Mannum waterfalls open space plan	Ongoing	Impacted by the River Murray flood. Negotiations continue with adjoining land owners, once finalised, development of master plan can commence.
Partnering with stakeholders on the development of a Strategic plan for Ngaut Ngaut	Ongoing	No progress due to Native Title issues.
Completion of PS Canally restoration project and the Mannum Murray River Heritage Tourism project	Ongoing	Both projects were impacted by the River Murray flood, however continue to be delivered post flood. Will be completed across 2023/2024.

Our Lifestyle: Key Activities 2022/2023		
Key Activity	Status	Comment
Murraylands & Riverland Local Government Association Regional Transport Strategy	Completed	MRLGA is leading the project and work remains ongoing as the strategy is a living document.. In line with the strategy, Council has adopted its Road Hierarchy and Maintenance Standards which align with the Regional Network Strategy and subsequent Road Management Plan. Murraylands Road construction funding opportunities remain. Current stage being completed.
Marine Facilities Asset Management Plan	In progress	Deferred due to the River Murray flood event response and recovery.
Swan Reach Riverfront Masterplan – delivery of adopted master plan	In progress	Stages within the Masterplan are nearing completion for the current budget allocation. Len White Reserve Playground and facilities are near completion with the riverbank reclamation to be completed when current river levels subside.
Delivery of Our Lifestyle Murray Darling Basin Economic Development Program funding Projects	In progress	Planning, consultation and project scope commenced for the Blanchetown Playground. Project deferred due to flood inundation. Project recommenced post flood.
Re-sheeting of unsealed roads throughout Council area in accordance with Council's Transport Asset Management Plan	In progress	Works progressed and redirected as required due to all available resources being redirected to flood preparation and recovery. Transport Asset Management Plan works are being reviewed and reprioritised with an accelerated program adopted.
Murraylands Road - Design and commencement of seal from the Morgan sealed end towards Blanchetown (approx. 8 kms)	In progress	Murraylands Road realignment and seal work commenced. Remains a work in progress.
Infrastructure and Transport Asset Management Plan - Review	In progress	Review was put on hold due to the River Murray flood.

ANNUAL FINANCIAL STATEMENTS

Council has received an independent audit report from its external auditors for Council's annual financial statements and an independent report for internal financial controls.

The Annual Financial Statements are attached at **Appendix 2**.

OUR ORGANISATION

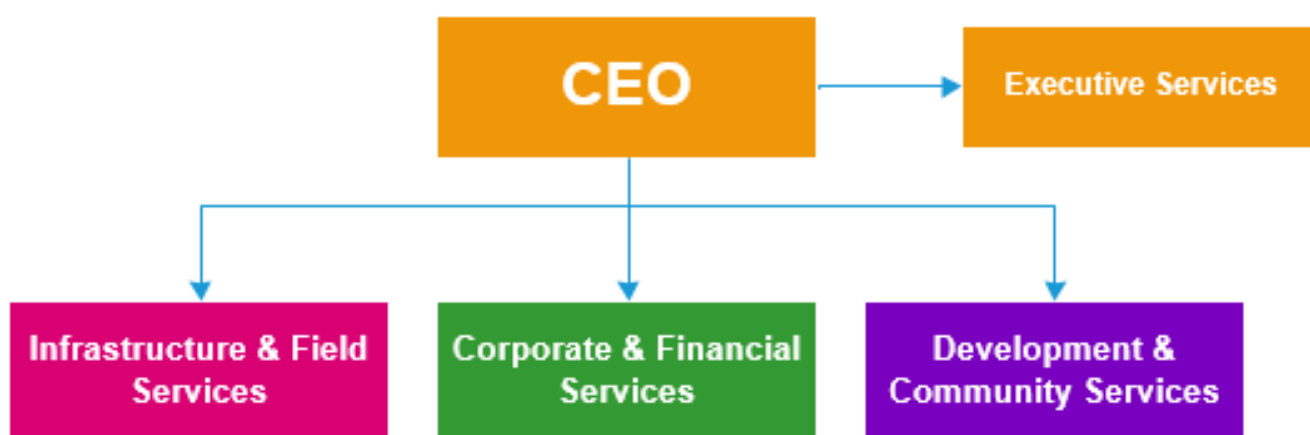

Senior Management Team

Council's Senior Management Team (SMT) currently consists of the Chief Executive Officer, Director Corporate & Financial Services, Director Infrastructure & Field Services, Director Development & Community Services and Manager Strategy, Innovation & Governance.

The SMT is responsible for leading and developing the administration, as well as building the organisational capability and culture required to deliver the vision, strategies and framework set out in Council's [Our Plan 2020-24](#).

The members of the executive team are paid a salary package, which varies for each individual. These packages include 10.5 per cent compulsory superannuation and the provision of a motor vehicle for unrestricted private use, in lieu of overtime and in accordance with Council's [Motor Vehicle Policy](#).

Organisational Chart

Staff Overview

Staff numbers as at 30 June 2023 are shown as Full-Time Equivalent (FTE) while the gender ratio is reflective of headcount, the difference in these figures reflects the number of part-time staff employed by Mid Murray Council; and highlights the flexible working conditions that are offered to employees.

DIVISION	STAFFING NUMBERS
Executive Services & Tourism	14
Corporate & Financial Services	19
Development & Community Services	22
Infrastructure & Field Services	45
Total	100

DIVISION	FEMALE	MALE	TOTAL
Executive Services & Tourism	10	4	14
Corporate & Financial Services	16	3	19
Development & Community Services	14	8	22
Infrastructure & Field Services	3	42	45
Total	43	57	100

Staff Gifts & Benefits

The following table is a summary of the gifts or benefits inclusive of amounts exceeding \$50.00 that were received by members of staff in for the 2022/2023 Financial Year, funded entirely or in part by Council.

Name of Staff Member	Date Given or Received	Description of Gift or Benefit	Value \$	Reason
-	-	-	-	-

Staff Member Interstate and International Travel

The following is a summary of details of interstate and international travel undertaken by Council staff members during 2022/2023 funded entirely or in part by Council. The table excludes prescribed interstate¹ travel.

Name	Destination	Value \$	Reason for Travel
-	-	-	-

¹ Prescribed interstate travel is defined by Regulation 35(3) of the *Local Government (General) Regulations 2013*

Organisational Development

- Safe Environments Reporting Child Abuse and Neglect
- Safe food handling
- Volunteer training
- Warden ECO
- WHS Policies and Procedure refresher
- WZTM Workzone Traffic Management 3yr
- Zone Emergency Management Committee ZEMC induction presentation

OUR COUNCIL

Mid Murray Council Overview

The Mid Murray Council was formed on 1 July 1997 through the amalgamation of the District Council of Mannum, District Council of Morgan, District Council of Ridley-Truro and a portion of the District Council of Mount Pleasant.

The Council area comprises land within regions generally known as the Murraylands, Riverland and the eastern slopes of the Mount Lofty Ranges.

The Principal Office of Council is situated in Mannum. This is the site for Council's administration, infrastructure & field services, community services and finance functions.

The Cambrai Council office houses the planning, building control and maintenance, environmental health and regulatory services functions.

The Morgan & Districts and Blanchetown Community Hubs provide a Council office, libraries, community services and Centrelink access points.

The Mid Murray Council covers an area of 6,273 square kilometres.

The township of Mannum is located 89 kilometres east of Adelaide on the banks of the Murray River.

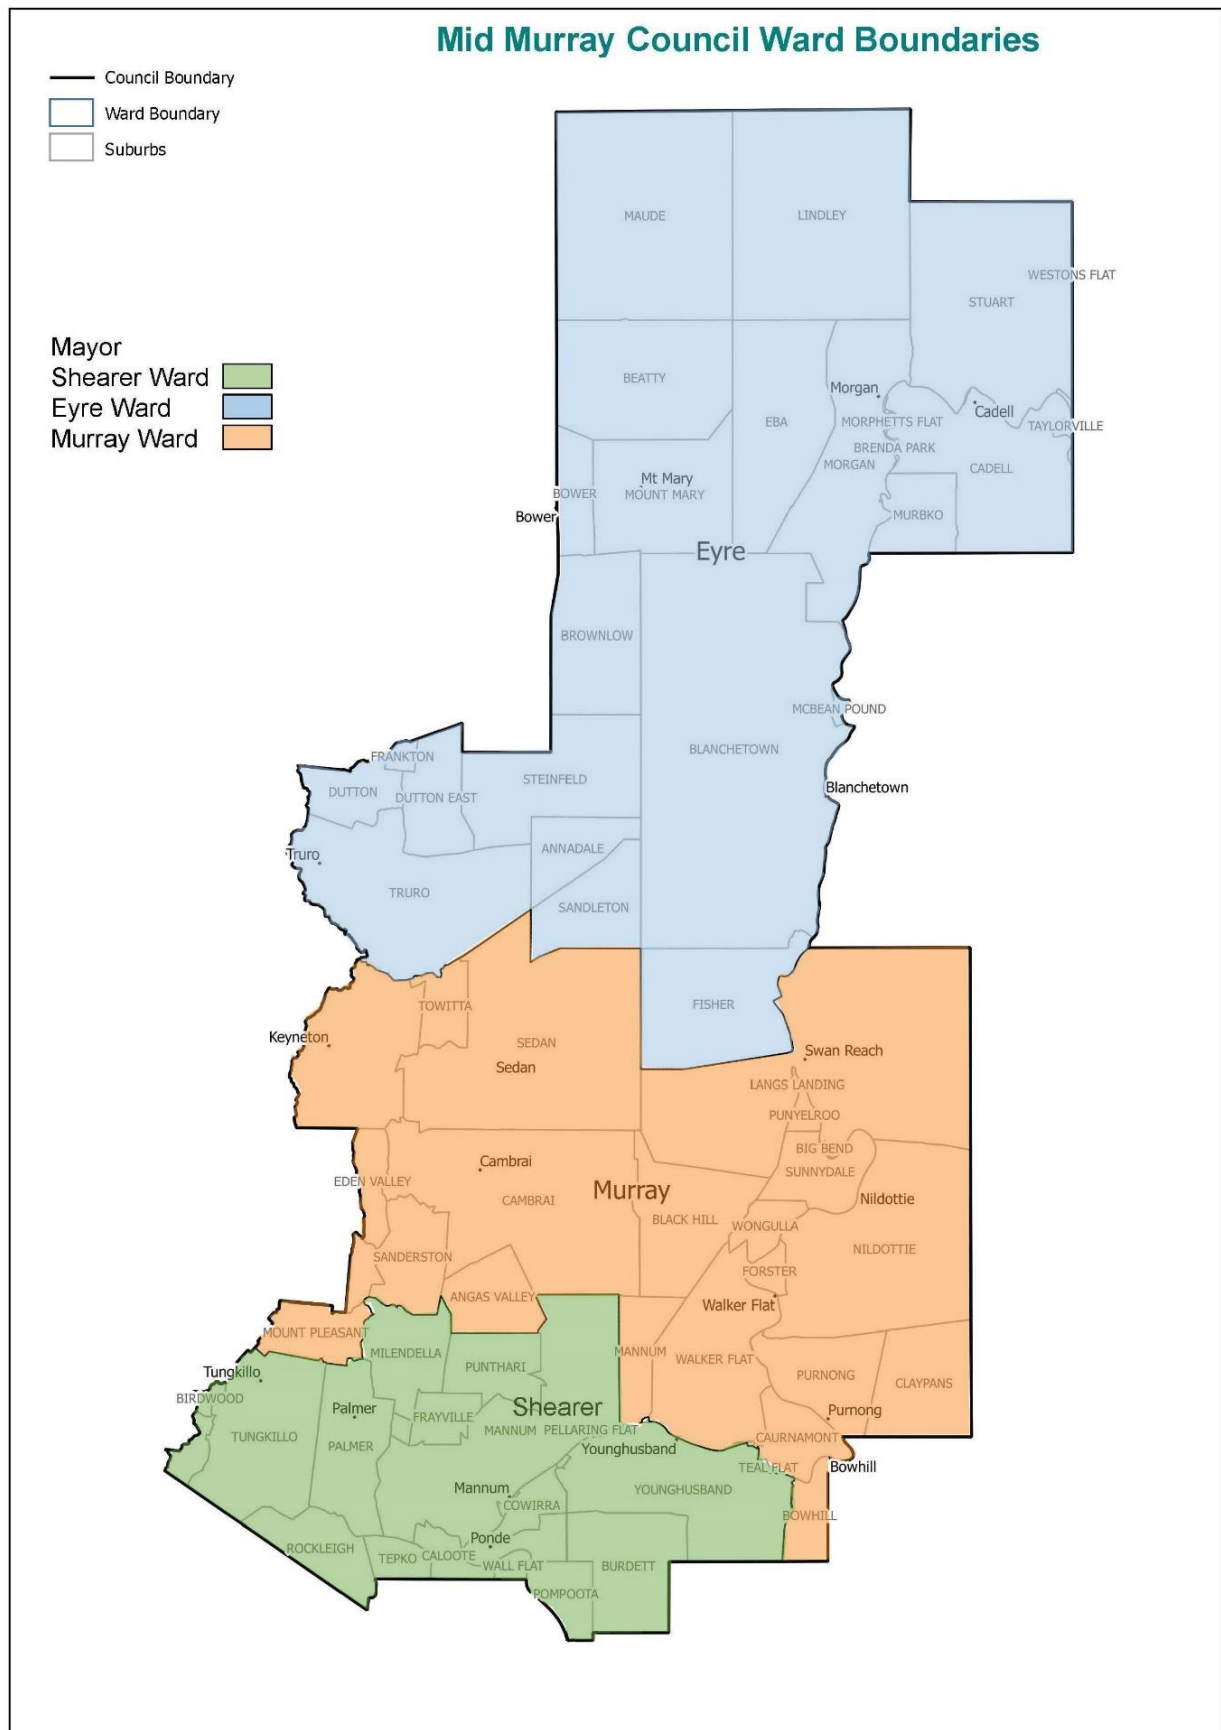

The Mid Murray Council's road network is extensive and is the second largest of local government areas in South Australia totalling 3,383 kilometres.

Mid Murray Council shares boundaries with eight (8) other South Australian councils plus the Outback Areas Community Development Trust.

Surrounding Councils are:

- Rural City of Murray Bridge;
- Barossa Council;
- Regional Council of Goyder;
- Light Regional Council;
- Adelaide Hills Council;
- District Council of Mount Barker;
- District Council of Loxton Waikerie; and
- District Council of Karoonda East Murray.

Mid Murray Council Ward Boundary Map

Elector Representation

The representation quota is the number of electors for the Council area divided by the number of Elected Members (including the Mayor).

Mid Murray's Council representation quota is 1:880 with 6,870 electors and compares with other similar councils.

Council	Total Electors	Quota
Berri Barmera	7,500	833
Clare & Gilbert Valleys	6,850	685
Naracoorte Lucindale	5,833	530
Renmark Paringa	6,626	736

Source: *Electoral Commission SA 2022/2023 (available from LGA SA)*

Representation Review

Councils in South Australia are required to undertake a representation review in accordance with Section 12 of the *Local Government Act 1999* (the Act) at least once in each 'relevant period'. The 'relevant period' is a period set by the Minister responsible for the Act by notice in the Gazette.

Following the conduct of its representation review process in 2021, Council resolved that:

- the name of the Council (Mid Murray Council) would be retained;
- the Council would continue to be a district council;
- the Principal Member of the Council would continue to be a Mayor, elected by the community at Council-wide elections;
- the Council would continue to divide its area into three (3) wards, although with changes to current ward boundaries to ensure compliance with the ward quota tolerance limit;
- the current ward names be retained, namely:
 - Ward 1 – Shearer Ward;
 - Ward 2 – Eyre Ward;
 - Ward 3 – Murray Ward; and
- Council would comprise eight (8) ward councillors (plus a popularly elected Mayor).

Following public consultation Council's the *Representation Review Report to Electoral Commissioner* was referred and certified by the Electoral Commissioner, with the new composition and structure taking effect from the November 2022 periodic election.

Elected Members

Councils are part of the democratic framework of Australia and the community gets the chance to elect its Elected Members every four (4) years.

The most recent Council Elections were held in November 2022, with the next election scheduled for November 2026.

More information about Council elections is available on the Electoral Commission of South Australia [website](#).

Set out below are details of the Elected Members of Mid Murray Council:

Prior to November 2022 Election

Mayor	Dave Burgess
Eyre Ward	Cr Kevin Myers Cr John Forrester Cr Dennis McCarthy (until 28 October 2021) Cr Debra Brokenshire (from 8 March 2022)
Murray Ward	Cr Jeff Hall Cr Steven Hennessy
Shearer Ward	Cr Simone Bailey – Deputy Mayor 2021 Cr Kirsty MacGregor Cr Peter Raison Cr Peter Smith OAM

Following the November 2022 Election

Mayor	Simone Bailey
Eyre Ward	Cr John Forrester - Deputy Mayor Cr Jen Davis
Murray Ward	Cr Geoff Barber Cr Ros Schultz
Shearer Ward	Cr Kirsty MacGregor Cr Victoria Hammond Cr Kelly Gladigau Cr Mandy Toczec McPeake

Elected Member Allowances & Benefits

Section 76 of the *Local Government Act 1999* provides that Elected Members are entitled to receive an allowance that is determined by the Remuneration Tribunal of South Australia.

The remuneration is adjusted annually by a formula prescribed by the [Local Government \(Members Allowances and Benefits\) Regulations 2010](#).

Allowances & Benefits

Total costs incurred in relation to complaints alleging contravention: \$14,178 ³

The following reports of contraventions of section 75G – Health and Safety Duties, of the *Local Government Act 1999* and the total cost incurred by Council during the 2022/2023 Financial Year in relation to these contraventions:

Total number of contraventions: Nil

Total costs incurred in relation to complaints alleging contravention: Nil

DECISION MAKING STRUCTURE

The Local Government system is integral to the democratic system of government in Australia and provides vital infrastructure, social and environmental support for communities.

Mid Murray Council is responsible for providing strategic direction for the local area, planning and development control, setting policy, providing and maintaining infrastructure and services, and regulating activities whilst complying with and enforcing many diverse pieces of legislation.

Mid Murray Council operates autonomously within the framework of the *Local Government Act 1999*, and the elected body may delegate authority to the Chief Executive Officer in accordance with legislative requirements, budgets, strategic planning policy and corporate structure.

Mid Murray Council has a number of committees that assist in the decision-making process.

Council Meetings

Council Meetings are an important part of the Mid Murray Council's operations.

The decisions made by the Elected Members at formal Council Meetings provide the direction and authority for the ongoing operation of the Council.

Following the November 2022 periodic election, Council meetings were held on the third Tuesday of every month at 9:30am at the Council Chambers, Main Street, Cambrai, with appropriate adjustments to accommodate public holidays.

All Council Meetings were open to the public and were conducted in accordance with the *Local Government Act 1999* and the *Local Government (Procedures at Meetings) Regulations 2013*; with the exception of items that were identified as falling within the provision of Section 90 of the *Local Government Act 1999*.

These items were considered in confidence and members of the public were excluded from the meetings during those items.

³ Figure represents costs for finalisation of contraventions occurring prior to and during the 2021/2022 Financial Year.

COUNCIL COMMITTEES

Under Section 41 of the *Local Government Act 1999*, the Council has the power to establish committees that will assist Council in the performance of its functions. These committees make recommendations to the Council.

A brief summary of the functions, and membership for each committee is as follows.

More information on Council's committees may be obtained from Council's [website](#).

2018-2022 TERM OF COUNCIL COMMITTEES

Aboriginal & Torres Strait Islander Advisory Committee

The Aboriginal & Torres Strait Islander Committee provides support for Council to achieve its strategic objectives in relation to its Mid Murray Reflect *Reconciliation Action Plan*.

The Committee's primary role is to advise Council of the key issues, concerns and priorities of the Aboriginal and Torres Strait Islander community, particularly as they relate to Council business and responsibilities.

Membership comprises of two (2) Elected Members and six (6) Independent Community Members who are either, members of the local Aboriginal and Torres Strait Islander community; and/or representatives from the various Traditional Custodian groups or organisations of the Mid Murray Council area; and/or representatives from community organisations, agencies and service providers that have a focus on the provision of services to Aboriginal and Torres Strait Islander communities.

- Ms Amy Della-Sale – Presiding Member
- Ms Ebony Marshall
- Mr Grant Rigney
- Ms Ivy Campbell
- Ms Margaret Sumner
- Mr Robert Agius
- Cr Kirsty MacGregor
- Cr Deb Brokenshire
- Mayor Dave Burgess (ex officio)

The sitting fees were as follows:

- Independent Community Members \$100.00 per meeting attended and travel allowance for the use of their private vehicle to travel to and from meetings.
- No other sitting fees were received for this Committee.

The Terms of Reference for the Aboriginal & Torres Strait Islander Advisory Committee are available on Council's [website](#).

Audit Committee

Mid Murray Council's Audit Committee is a statutory required committee, established under Section 126 of the *Local Government Act 1999*.

The Committee is appointed by Council and is tasked with reviewing the annual financial statements and Business Plan, monitoring financial indicators and targets in the [Long Term Financial Plan](#), obtaining independent professional advice and liaising with the Council's auditor.

The Committee also has oversight of the Council's risk management and audit initiatives and is a source of advice to the Council and Chief Executive Officer.

Membership comprises of two (2) independent members and three (3) Elected Members:

- Mr David Whitbread – Presiding Member
- Mr Peter Fairlie-Jones – Deputy Presiding Member
- Cr Simone Bailey
- Cr Jeff Hall
- Cr Dennis McCarthy - until October 2021
- Cr Kirsty MacGregor
- Mayor Dave Burgess (ex officio)

The sitting fees were as follows:

- Presiding Member \$688.00 per meeting attended
- Independent Member \$550.00 for two meetings & \$564 for two meetings attended
- No other sitting fees were received for this Committee.

The Terms of Reference for the Audit Committee are available on Council's [website](#).

CEO Performance Management Committee

The purpose and function of the Chief Executive Officer Performance Management Committee is to undertake the assessment of the Chief Executive Officer's performance with reference to the Strategic Goals and duties as outlined in their Employment Agreement.

Membership comprises of five (5) Elected Members:

- Mayor Dave Burgess– Presiding Member
- Cr Simone Bailey
- Cr Steve Hennessy
- Cr Kevin Myers
- Cr Peter Raison

No sitting fees were received for this Committee.

The Terms of Reference for the Chief Executive Officer Performance Management Committee are available on Council's [website](#).

Community Grants Assessment Committee

The purpose and function of the Community Grants Assessment Committee enable the efficient application of the Community Grants Policy to ensure Council's community grants are allocated in a consistent, fair and equitable manner.

Membership comprises of three (3) Elected Members:

- Cr Dennis McCarthy– Presiding Member – until October 2021
- Cr Jeff Hall - Deputy Presiding Member
- Cr Deb Brokenshire
- Cr Peter Raison
- Mayor Dave Burgess (ex officio)

The sitting fees were as follows:

- Presiding Member per the Elected Member Allowance for a non-prescribed Committee.
- No other sitting fees were received for this Committee.

The Terms of Reference for the Community Grants Assessment Committee are available on Council's [website](#).

Community Wastewater Management System (CWMS) Advisory Committee

The purpose and function of the Community Wastewater Management System (CWMS) Advisory Committee is to provide support and oversight to Council in the management of the CWMS infrastructure; review the functions and operations of Council's CWMS infrastructure in line with the relevant Infrastructure and Asset Management Plan; and make recommendation to Council regarding significant financial or operational matters as deemed necessary by the Committee.

Membership comprises of four (4) Elected Members, and two (2) Property Owner Representatives:

- Cr Jeff Hall – Presiding Member
- Cr Peter Raison – Deputy Presiding Member
- Cr John Forrester
- Ms Dawn Prust
- Mr David Whitbread
- Mayor Dave Burgess (ex officio)

The sitting fees were as follows:

- Presiding Member per the Elected Member Allowance for a non-prescribed Committee.
- Independent Member \$100.00 per meeting attended
- If Independent Members are required to attend formal Council training or workshops

\$100.00 per workshop.

- No other sitting fees were received for this Committee.

The Terms of Reference for the Community Wastewater Management System Advisory Committee are available on Council's [website](#).

Dark Sky Committee

The purpose and function of the Dark Sky Committee is to ensure the ongoing and annual accreditation of the River Murray International Dark Sky Reserve (RMIDSR), to promote the RMIDSR as a valuable asset in a sustainable manner in accordance with Mid Murray Council's Strategic Plan and to oversee the implementation of Mid Murray Council's [Astro Tourism Strategy](#).

Membership comprises of two (2) Elected Members and five (5) Community Members with experience or an interest in the fields of astronomy, tourism, education and the natural environment:

- Cr Kevin Myers
- Cr Steve Hennessy
- Mr Chris Tugwell – Community Member
- Mr Don Bursill – Community Member
- Mr Bill Nehmy – Community Member
- Ms Leila Kasprzak – Community Member
- Mr Andrew Philpott – Community Member
- Mayor Dave Burgess (ex officio)

No sitting fees were received for this Committee.

The Terms of Reference for the Dark Sky Committee are available on Council's [website](#).

Economic Development & Commercial Enterprises Committee

The Economic Development & Commercial Enterprises Committee is for the purposes of identifying opportunities to leverage Council assets, whilst forecasting infrastructure requirements, for developing strategies that support economic across the Council area.

Membership comprises of four (4) Elected Members:

- Mayor Dave Burgess – Presiding Member
- Cr Simone Bailey – Deputy Presiding Member
- Cr Jeff Hall
- Cr Steve Hennessy

No sitting fees were received for this Committee.

The Terms of Reference for the Economic Development & Commercial Enterprises Committee are available on Council's [website](#).

Mannum Main Street Working Party

Mannum Main Street Working Party is for the purposes of promoting Mannum Main Street's unique characteristics, its cultural traditions, historic character and events to shoppers, stakeholders, investors, and tourists.

ACCESS TO COUNCIL DOCUMENTS

Documents Available for Inspection

The following documents are available for public inspection at the Council offices free of charge. Members of the public may purchase copies of these documents in accordance with Council's fees and charges schedule.

- Council Meeting Agendas;
- Council Meeting Minutes;
- Section 41 Committee Agendas;
- Section 41 Committee Minutes;
- Policy Register;
- Strategic Plan;
- Budget Statement;
- Annual Report;
- By-laws;
- Annual Financial Statements;
- Planning and Design Code;
- Development Application Register – available via [Plan SA Portal](#);
- Register of Council Members Allowances and Benefits;
- Wages &Salaries Register;
- Register of Council Members' Interests;
- Register of Council Members Gifts & Benefits;
- Assessment Book;
- Register of Fees and Charges;
- Delegations; and
- Confidential Items Register.

Freedom of Information Requests

Requests for other information not included above will be considered in accordance with the provisions of the *Freedom of Information Act 1991*. Under this legislation, an application fee must be forwarded with the completed request form as provided for in Section 13, unless the applicant is granted an exemption.

Should the applicant require copies of any documents inspected pursuant to a Freedom of Information request, charges may apply.

Freedom of Information request forms should be addressed to:

The Freedom of Information Officer
Mid Murray Council
PO Box 28
MANNUM SA 5238

Forms are available at the Council office or via Council's [website](#). Applications will be responded to within the statutory 30 days of Council receiving the properly completed Freedom of Information request form, together with the application and fees.

Freedom of Information Statement

The Freedom of Information Statement is published annually by the Mid Murray Council in accordance with the requirements of the *Freedom of Information Act 1991*. An information document is available as a separate document in accordance with requirements and the contents are also included in this Annual Report. The Council is pleased to comply with the legislation and welcomes enquiries. An updated Information Statement will be published at least every 12 months.

During the 2022/2023 financial year Mid Murray Council received 2 applications for information under the Freedom of Information legislation.

The statutory application fee charged per application was \$39.00 unless the applicant qualified for a fee waiver.

Amendment of Council Records

A member of the public may gain access to Council documents to make amendments concerning their personal affairs by making a request under the *Local Government Act 1999*. A member of the public may then request a correction to any information about themselves that is incomplete, incorrect, misleading or out of date.

To gain access to these Council records, a member of the public must complete a Freedom of Information request form as indicated above outlining the records that they wish to inspect.

COMMUNITY LAND MANAGEMENT PLANS

Community Land Management Plans (CLMPs) identify the purpose and objectives for each parcel of land contained within Mid Murray Council's Community Land Register.

These plans reflect existing policies and strategies and operate under Section 196 of the *Local Government Act 1999*, grouping parcels of land that have similar purposes, objectives, management policies, and performance targets.

The CLMP updated over the 2022/2023 period was:

- 3814 Murraylands Road, Blanchetown

APPLICATION OF COMPETITION PRINCIPLES

Mid Murray Council's obligations under the National Competition Policy fall within two (2) principal categories: the identification of "significant business activities"; and, the application of Competitive Neutrality Principles to these activities.

Council carries out no commercial business activities with an annual revenue in excess of \$2 million, or employing assets in excess of \$20 million.

Mid Murray Council's [Procurement Policy](#) guides the practices and procedures for the acquisition of goods and services. It provides clear direction for procurement within the organisation to ensure consistency and control over procurement activities and to encourage best practice.

It also ensures that all procurement activities are conducted in accordance with nine (9) key principles, which have a focus on:

- Council delivers value for money services to the community;
- Compliance with statutory obligations;
- Open and fair/effective competition;
- Professional integrity and ethical conduct;
- Risk management;
- Accountability, transparency and probity;
- Environmental sustainability;
- Local industry sourcing and local employment and training;
- Social sustainability.

The [Procurement Policy](#) guides the competitive tendering processes to ensure the Council obtains value for money when approaching the marketplace.

Mid Murray Council will, to the extent permitted by law, favour engagement of local suppliers and the use of South Australian made goods and suppliers whose activities contribute to the economic development of the region and/or provide local employment opportunities.

RATING POLICY

Individual property rates are calculated by multiplying the property's capital valuation (as determined by the Valuer General) by a rate in the dollar that will be sufficient to achieve the amount of income required.

The total amount of income required to deliver the broad range of services provided by Council and achieve the outcomes in Council's Strategic Plan, [Our Plan 2020-24](#), is derived from a number of sources.

Rates provide the primary source of income but other income sources include statutory fees, user charges, grants and subsidies.

When Mid Murray Council establishes the level of income required from rates it considers the:

- Council's Strategic Plan – [Our Plan 2020-24](#)
- Current economic climate
- Funding needs to deliver the agreed service levels
- Savings identified through a service review program, and
- Specific issues and the impact of rates on the community.

INCOME

During the 2022/2023 financial year Mid Murray Council received income from:

• Rates	\$17.787m
• Statutory Charge	\$.422m
• User Charges	\$ 1.705m
• Operating Grants and Contributions	\$10.311m
• Investments	\$.058m
• Reimbursements	\$.322m
• Other	\$.514m

CREDIT CARD EXPENDITURE

The total amount of expenditure incurred using credit cards provided by Council for use by Elected Members or employees during the 2022/2023 financial year was \$101,791.

AUDITOR REMUNERATION

The remuneration payable to Council's auditor for work performed during the relevant financial year is:

- remuneration payable for the annual audit of Council's financial statements; \$15,300; and
- other remuneration is Nil

LEGAL COSTS

The total legal costs incurred by Council in the 2022/2023 financial year was \$89,517

SUBSIDIARY - MURRAYLANDS & RIVERLAND LOCAL GOVERNMENT ASSOCIATION

The Constituent Councils of the Murraylands & Riverland Local Government Association (the Association) are Berri Barmera Council, Coorong District Council, District Council of Karoonda East Murray, District Council of Loxton Waikerie, Mid Murray Council, Renmark Paringa Council, Rural City of Murray Bridge and Southern Mallee District Council.

The Association operated as a Regional Subsidiary under the transitional provisions of the *Local Government Act 1999* until December 2001; with a formal Charter, agreed to by the Constituent Councils, becoming effective on the 13th December 2001.

Further statutory reviews of the Charter have taken place and the most recent Charter was gazetted on 5 March 2020.

The principal purpose of the Board is to:

- work with the Local Government Association of South Australia in achieving its aims and objectives;
- provide strong advocacy speaking with one (1) voice on what matters most to the communities of the Constituent Councils;
- work together to make the best use of available resources;
- build partnerships with those who can contribute to stronger and more sustainable communities;
- develop and implement a robust Annual Business Plan consistent with the intent of the Strategic Plan;
- to undertake coordinating, advocacy and representational roles for its Constituent Councils at a regional level;
- to facilitate and coordinate activities of local government at a regional level on behalf of our Constituent Councils;
- to develop, encourage, promote, foster and maintain consultation and cooperation and to strengthen the representation and status of local government;
- to develop further cooperation between its Constituent Councils for the benefit of the communities in the region;
- to develop and manage policies which guide the conduct of programs and projects in the region;
- to undertake projects that benefit the region and its communities;
- to facilitate and coordinate collaborative procurement activities for the collective benefit of the Constituent Councils [and other non-Constituent Councils];
- to maximize the benefits of collaborative procurement through developing and implementing procurement policies and procedures; and
- to improve financial sustainability of the Constituent Councils by improvement of operational efficiency in procurement and process management.

From 1st January 2016, each Constituent Council has provided one (1) Delegate to the Association, along with up to two (2) proxy Delegates should they be required.

The current list of Constituent Council Delegates are:

- Berri Barmera Council (BBC): Mayor Ella Winnall, Vice President and Deputy Mayor Trevor Scott (proxy).
- Coorong District Council (CDC): Mayor Paul Simmons and Deputy Mayor Jeff Arthur (proxy) and Cr. Mick O'Hara (proxy)
- District Council of Karoonda East Murray (DCKEM): Mayor Caroline Phillips (President) and Deputy Mayor Russell Norman (proxy).
- District Council of Loxton Waikerie (DCLW): Mayor Trevor Norton and Deputy Mayor Clive Matthews (proxy).
- Mid Murray Council (MMC): Mayor Simone Bailey Deputy Mayor John Forrester, and Cr Jen Davis (proxy)
- The Rural City of Murray Bridge (RCMB): Mayor Wayne Thorley and Deputy Mayor Andrew Baltensperger (proxy).
- District Council of Renmark Paringa (RPC): Mayor Peter Hunter and Deputy Mayor Margaret Howie (proxy).
- Southern Mallee District Council (SMDC): Mayor Ron Valentine and Deputy Mayor Pending (proxy)

The Murraylands & Riverland Local Government Association Board Annual Report is attached at **Appendix 2**.

LIST OF REGISTERS & CODES

The following table provides a list of registers, policies, codes and other documents that legislation requires Council to make available for inspect on without charge. The documents listed below are available at Council's Administration Centres and most are on the Council's [website](#).

When a hard copy is requested a fee may apply or the item may be downloaded free of charge from the mid-murray.sa.gov.au.

General Purpose Financial Statements
for the year ended 30 June 2023

Certification of Financial Statements

We have been authorised by the Council to certify the financial statements in their final form.

In our opinion:

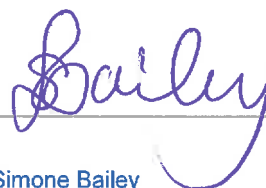

- the accompanying financial statements comply with the *Local Government Act 1999, Local Government (Financial Management) Regulations 2011* and Australian Accounting Standards,
- the financial statements present a true and fair view of the Council's financial position at 30 June 2023 and the results of its operations and cash flows for the financial year,
- internal controls implemented by the Council provide a reasonable assurance that the Council's financial records are complete, accurate and reliable and were effective throughout the financial year,
- the financial statements accurately reflect the Council's accounting and other records.

Ben Scales

Chief Executive Officer

14 November 2023

Simone Bailey

Mayor

14 November 2023

Statement of Comprehensive Income

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies

The principal accounting policies adopted by Council in the preparation of these consolidated financial statements are set out below.

These policies have been consistently applied to all the years presented, unless otherwise stated.

(1) Basis of preparation

1.1 Compliance with Australian Accounting Standards

This general purpose financial report has been prepared on a going concern basis using the historical cost convention in accordance with Australian Accounting Standards as they apply to not-for-profit entities, other authoritative pronouncements of the Australian Accounting Standards Board, Interpretations and relevant South Australian legislation.

The financial report was authorised for issue by certificate under regulation 14 of the *Local Government (Financial Management) Regulations 2011* dated 14 November 2023.

1.2 Critical accounting estimates

The preparation of financial statements in conformity with Australian Accounting Standards requires the use of certain critical accounting estimates and requires management to exercise its judgement in applying Council's accounting policies.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are specifically referred to in the relevant sections of these Notes.

1.3 Rounding

All amounts in the financial statements have been rounded to the nearest thousand dollars (\$'000).

1.4 Estimates and assumptions

The River Murray flood event will have a significant financial impact on Council operations with the Council working to reduce discretionary expenditure in the short term to help mitigate the effect of the reduced revenue and increased costs. It is expected further financial impacts will flow into the 2023/24 financial year but these have been largely taken into account during the development of the budget process for 2023/24. Whilst the budget assumptions for 2023/24 assume that no further harsh restrictions are put in place by the government, a deliberately conservative approach has been taken with income estimates. However, Council has determined that there is no material uncertainty that casts doubt on Council's ability to continue as a going concern.

(2) The local government reporting entity

Mid Murray Council is incorporated under the South Australian Local Government Act 1999 and has its principal place of business at 49 Adelaide Road, Mannum SA. These consolidated financial statements include the Council's direct operations and all entities through which Council controls resources to carry on its functions. In the process of reporting on the Council as a single unit, all transactions and balances between activity areas and controlled entities have been eliminated.

(3) Income recognition

The Council recognises revenue under *AASB 1058 Income of Not-for-Profit Entities* (AASB 1058) or *AASB 15 Revenue from Contracts with Customers* (AASB 15) when appropriate.

In cases where there is an 'enforceable' contract with a customer with 'sufficiently specific' performance obligations, the transaction is accounted for under AASB 15 where income is recognised when (or as) the performance obligations are satisfied (i.e. when it transfers control of a product or service to a customer). Revenue is measured based on the consideration to which the Council expects to be entitled in a contract with a customer.

In other cases, AASB 1058 applies when a not-for-profit (NFP) entity enters into transactions where the consideration to acquire an asset is significantly less than the fair value of the asset principally to enable the entity to further its objectives. The excess of the asset recognised (at fair value) over any 'related amounts' is recognised as income immediately, except in the case where a financial asset has been received to enable the council to acquire or construct a recognisable non-financial asset that

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (continued)

is to be controlled by the council. In this case, the council recognises the excess as a liability that is recognised over time in profit and loss when (or as) the entity satisfies its obligations under the transfer.

In recent years the payment of untied grants (financial assistance grants / local roads / supplementary grants) has varied from the annual allocation as shown in the table below:

Financial Assistance Grants

	Cash Payment Received	Annual Allocation	Difference
2020/21	\$4,036,294	\$3,980,106	+ \$56,188
2021/22	\$5,187,715	\$4,049,782	+ \$1,137,933
2022/23	\$6,098,119	\$4,490,313	+ \$1,607,806

Supplementary Local Roads Grants

2020/21	\$Nil	\$327,466	- \$327,466
2021/22	\$328,230	\$328,230	\$Nil
2022/23	\$326,909	\$326,909	\$Nil

Because these grants are untied, the Australian Accounting Standards require that payments be recognised upon receipt. Accordingly, the operating results of these periods have been distorted compared to those that would have been reported had the grants been paid in the year to which they were allocated.

The Operating Surplus Ratio disclosed in Note 15 has also been calculated after adjusting for the distortions resulting from the differences between the actual grants received and the grants entitlements allocated.

Construction contracts

Construction works undertaken by Council for third parties are generally on an agency basis where the third party reimburses Council for actual costs incurred, and usually do not extend beyond the reporting period. Reimbursements not received are recognised as receivables and reimbursements received in advance are recognised as "payments received in advance".

For works undertaken on a fixed price contract basis, revenues are recognised over time using the input method, with costs incurred compared to total expected costs used as a measure of progress. When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

(4) Cash, cash equivalents and other financial instruments

Cash Assets include all amounts readily convertible to cash on hand at Council's option with an insignificant risk of changes in value with a maturity of three months or less from the date of acquisition.

Receivables for rates and annual charges are secured over the subject land, and bear interest at rates determined in accordance with the *Local Government Act 1999*. Other receivables are generally unsecured and do not bear interest.

All receivables are reviewed as at the reporting date and adequate allowance made for amounts the receipt of which is considered doubtful.

All financial instruments are recognised at fair value at the date of recognition, except for trade receivables from a contract with a customer, which are measured at the transaction price. A detailed statement of the accounting policies applied to financial instruments forms part of Note 13.

(5) Inventories

Inventories held in respect of stores have been valued by using the weighted average cost on a continual basis, after adjustment for loss of service potential. Inventories held in respect of business undertakings have been valued at the lower of cost and net realisable value.

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (continued)

5.1 Real estate assets developments

Real Estate Assets developments have been classified as Inventory in accordance with *AASB 102 Inventories* and are valued at the lower of cost or net realisable value. Cost includes the costs of acquisition, development, borrowing and other costs incurred on financing of that acquisition and up to the time of sale. Any amount by which cost exceeds the net realisable value has been recognised as an expense.

Revenues arising from the sale of property are recognised in the operating statement when settlement is completed.

5.2 Other real estate held for resale

Properties not acquired for development, but which Council has decided to sell as surplus to requirements, are recognised at the carrying value at the time of that decision.

Certain properties, auctioned for non-payment of rates in accordance with the *Local Government Act 1999* but which failed to meet the reserve set by Council and are available for sale by private treaty, are recorded at the lower of the unpaid rates and charges at the time of auction or the reserve set by Council. Holding costs in relation to these properties are recognised as an expense when incurred.

(6) Infrastructure, property, plant and equipment

6.1 Initial recognition

All assets are initially recognised at cost. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition.

All non-current assets purchased or constructed are capitalised as the expenditure is incurred and depreciated as soon as the asset is held "ready for use". Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition, including architects' fees and engineering design fees and all other costs incurred. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overhead.

6.2 Materiality

Assets with an economic life in excess of one year are only capitalised where the cost of acquisition exceeds materiality thresholds established by Council for each type of asset. In determining (and in annually reviewing) such thresholds, regard is had to the nature of the asset and its estimated service life.

Examples of capitalisation thresholds applied during the year are given below. No capitalisation threshold is applied to the acquisition of land or interests in land.

Buildings & Structures	\$15,000
Infrastructure	\$10,000
Major Plant & Equipment	\$15,000
Minor Plant	\$5,000
IT Equipment	\$3,000
Furniture & Fittings	\$5,000
Heritage Tourism Assets	\$10,000

6.3 Subsequent recognition

All material asset classes are revalued on a regular basis such that the carrying values are not materially different from fair value. Significant uncertainties exist in the estimation of fair value of a number of asset classes including land, buildings and associated structures and infrastructure. Further detail of these uncertainties, and of existing valuations, methods and valuers are provided at Note 7.

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (continued)

6.4 Depreciation of non-current assets

Other than land, all infrastructure, property, plant and equipment assets recognised are systematically depreciated over their useful lives on a straight-line basis which, in the opinion of Council, best reflects the consumption of the service potential embodied in those assets.

Depreciation methods, useful lives and residual values of classes of assets are reviewed annually.

Major depreciation periods for each class of asset are listed below. Depreciation periods for infrastructure assets have been estimated based on the best information available to Council, but appropriate records covering the entire life cycle of these assets are not available, and extreme care should be used in interpreting financial information based on these estimates.

Infrastructure

Bridges & Major Culverts	50 to 80 years
Landfill Cells	10 years
Effluent Drainage	5 to 100 years
Footpaths	26 to 87 years
Kerbs	67 to 70 years
Recreation Open Space	26 to 87 years
Roads	18 to 75 years
Roads Earthworks	500 years
Stormwater Drainage	50 to 90 years
Street Furniture	5 to 30 years
Water Supply	5 to 100 years

Plant & Equipment

Major Plant & Equipment	5 to 25 years
Minor Plant	2 to 15 years
IT Equipment	2 to 15 years

Buildings & Structures	15 to 100 years
Furniture & Fittings	2 to 20 years
Heritage Tourism Assets	50 years
Marine Facilities	25 to 100 years

6.5 Impairment

Assets whose future economic benefits are not dependent on the ability to generate cash flows, and where the future economic benefits would be replaced if Council were deprived thereof, are not subject to impairment testing.

Other assets that are subject to depreciation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount (which is the higher of the present value of future cash inflows or value in use).

Where an asset that has been revalued is subsequently impaired, the impairment is first offset against such amount as stands to the credit of that class of assets in Asset Revaluation Reserve, any excess being recognised as an expense.

6.6 Borrowing costs

Borrowing costs in relation to qualifying assets (net of offsetting investment revenue) have been capitalised in accordance with AASB 123 *Borrowing Costs*. The amounts of borrowing costs recognised as an expense or as part of the carrying amount of qualifying assets are disclosed in Note 3, and the amount (if any) of interest revenue offset against borrowing costs in Note 2.

(7) Payables

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (continued)

7.1 Goods & Services

Creditors are amounts due to external parties for the supply of goods and services and are recognised as liabilities when the goods and services are received. Creditors are normally paid 30 days after the month of invoice. No interest is payable on these amounts.

7.2 Payments Received in Advance & Deposits

Amounts other than grants received from external parties in advance of service delivery, and security deposits held against possible damage to Council assets, are recognised as liabilities until the service is delivered or damage reinstated, or the amount is refunded as the case may be.

(8) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred and are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the income statement over the period of the borrowings using the effective interest method.

Borrowings are carried at their principal amounts which represent the present value of future cash flows associated with servicing the debt. Interest is accrued over the period to which it relates, and is recorded as part of "Payables". Interest free loans are carried at their nominal amounts; interest revenues foregone by the lender effectively being a reduction of interest expense in the period to which it relates.

(9) Employee benefits

9.1 Salaries, Wages & Compensated Absences

Liabilities for employees' entitlements to salaries, wages and compensated absences expected to be paid or settled within 12 months of reporting date are accrued at nominal amounts (including payroll based oncosts) measured in accordance with AASB 119.

Liabilities for employee benefits not expected to be paid or settled within 12 months are measured as the present value of the estimated future cash outflows (including payroll based oncosts) to be made in respect of services provided by employees up to the reporting date. Present values are calculated using government guaranteed securities rates with similar maturity terms.

No accrual is made for sick leave as Council experience indicates that, on average, sick leave taken in each reporting period is less than the entitlement accruing in that period, and this experience is expected to recur in future reporting periods. Council does not make payment for untaken sick leave.

9.2 Superannuation

The Council makes employer superannuation contributions in respect of its employees to various funds under the "choice of fund" legislation. The majority of employees are members of the Statewide Superannuation Scheme. The Scheme has two types of membership, each of which is funded differently. Details of the accounting policies applied and Council's involvement with the schemes are reported in Note 18.

(10) Provisions for reinstatement, restoration and rehabilitation

Close down and restoration costs include the dismantling and demolition of infrastructure and the removal of residual materials and remediation and rehabilitation of disturbed areas. Estimated close down and restoration costs are provided for in the accounting period when the obligation arising from the related disturbance occurs and are carried at the net present value of estimated future costs.

Although estimated future costs are based on a closure plan, such plans are based on current environmental requirements which may change. Council's policy to maximise recycling is extending the operational life of these facilities, and significant uncertainty exists in the estimation of the future closure date.

(11) Leases

Accounting policy applicable from 01 July 2019

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (continued)

The Council assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

11.1 Council as a lessee

The Council recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right-of-Use-Assets

The Council recognises right-of-use assets at the commencement date of the lease. Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, lease payments made at or before the commencement date less any lease incentives received and the estimate of costs to be incurred to restore the leased asset. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

Plant and equipment	2 to 15 years
Computers	2 to 5 years
Other	4 to 10 years

The right-of-use assets are also subject to impairment. Refer to the accounting policies above - Impairment of non-financial assets.

ii) Lease Liabilities

At the commencement date of the lease, the Council recognises lease liabilities measured at the present value of lease payments to be made over the lease term. In calculating the present value of lease payments, the Council uses its incremental borrowing rate or the interest rate implicit in the lease.

iii) Short-term leases and leases of low-value assets

The Council applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date). It also applies the low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

(12) GST implications

In accordance with UIG Abstract 1031 "Accounting for the Goods & Services Tax"

- Receivables and creditors include GST receivable and payable.
- Except in relation to input taxed activities, revenues and operating expenditures exclude GST receivable and payable.
- Non-current assets and capital expenditures include GST net of any recoupment.
- Amounts included in the Statement of Cash Flows are disclosed on a gross basis.

(13) New accounting standards and UIG interpretations

The Council applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 January 2022. New standards and amendments relevant to the Council are listed below. The Council has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

Standards issued by the AASB not yet effective

The AASB has issued Australian Accounting Standards and Interpretations which are not effective at 30 June 2023, these standards have not been adopted by Council and will be included in the financial statements on their effective date. Where the standard is expected to have a significant impact for Council then further information has been provided in this note.

The following list identifies all the new and amended Australian Accounting Standards, and Interpretation, that were issued but not yet effective at the time of compiling these illustrative statements that could be applicable to Councils.

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (continued)

Effective for NFP annual reporting periods beginning on or after 1 January 2023

- *AASB 2020-1 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-Current* (amended by *AASB 2020-6 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-Current - Deferral of Effective Date*, *AASB 2022-6 Amendments to Australian Accounting Standards - Non-current Liabilities with Covenants*)
- *AASB 2021-6 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies: Tier 2 and Other Australian Accounting Standards*. (This Standard makes amendments to *AASB 1053 Application of Tiers of Australian Accounting Standards*, June 2010 and *AASB 1060 General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for Profit Tier 2 Entities*, March 2020)
- *AASB 2021-2 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies and Definition of Accounting Estimates* (This standard amends a number of Standards as follows: *AASB 7 Financial Instruments: Disclosures* – to clarify that information about measurement bases for financial instruments is expected to be material to an entity's financial statements, *AASB 101 Presentation of Financial Statements* - to require entities to disclose their material accounting policy information rather than their significant accounting policies, *AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors* - to clarify how entities should distinguish changes in accounting policies and changes in accounting estimates, *AASB 134 Interim Financial Reporting* - to identify material accounting policy information as a component of a complete set of financial statements, *AASB Practice Statement 2: Making Materiality Judgements* - to provide guidance on how to apply the concept of materiality to accounting policy disclosures)
- *AASB 2021-5 Amendments to Australian Accounting Standards – Deferred Tax related to Assets and Liabilities arising from a Single Transaction*. (This Standard makes amendments to *AASB 1 First-time Adoption of Australian Accounting Standards*, July 2015 and *AASB 112 Income Taxes*, August 2015. These amendments arise from the issuance of International Financial Reporting Standard Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12) by the International Accounting Standards Board (IASB) in May 2021)
- *AASB 2022-7 Editorial Corrections to Australian Accounting Standards and Repeal of Superseded and Redundant Standards*. (This standard amends a number of Standards as follows: *AASB 7 Financial Instruments: Disclosures*, August 2015, *AASB 116 Property, Plant and Equipment*, August 2015, *AASB 124 Related Party Disclosures*, July 2015, *AASB 128 Investments in Associates and Joint Ventures*, August 2015, *AASB 134 Interim Financial Reporting*, August 2015, *AASB 1054 Australian Additional Disclosures*, May 2011, *AASB Practice Statement 2: Making Materiality Judgements*, December 2017. This Standard repeals Australian Accounting Standards that have been superseded by other Standards but not formally repealed. It also repeals Standards that amend other Standards as their principal purpose but which have not been formally repealed, provided their Parliamentary disallowance period and legal commencement date have passed)
- *AASB 2022-8 Amendments to Australian Accounting Standards – Insurance Contracts: Consequential Amendments*. (This Standard amends: *AASB 1 First-time Adoption of Australian Accounting Standards*, July 2015, *AASB 3 Business Combinations*, August 2015, *AASB 5 Non-current Assets Held for Sale and Discontinued Operations*, August 2015, *AASB 7 Financial Instruments: Disclosures*, August 2015, *AASB 9 Financial Instruments*, December 2014, *AASB 15 Revenue from Contracts with Customers*, December 2014, *AASB 17 Insurance Contracts*, July 2017, *AASB 119 Employee Benefits*, August 2015, *AASB 132 Financial Instruments: Presentation*, August 2015, *AASB 136 Impairment of Assets*, August 2015, *AASB 137 Provisions, Contingent Liabilities and Contingent Assets*, August 2015, *AASB 138 Intangible Assets*, August 2015, *AASB 1057 Application of Australian Accounting Standards*, July 2015, *AASB 1058 Income of Not-for Profit Entities*, December 2016; to permit public sector entities to continue applying *AASB 4 Insurance Contracts* and *AASB 1023 General Insurance Contracts* to annual periods beginning on or after 1 January 2023 but before 1 July 2026. This Standard also amends *AASB 17* to repeal *AASB 1038 Life Insurance Contracts*, July 2004 and supersede *Interpretation 1047 Professional Indemnity Claims Liabilities in Medical Defence Organisations* for annual periods beginning on or after January 2023)
- *AASB 2022-1 Amendments to Australian Accounting Standards – Initial Application of AASB 17 and AASB 9 – Comparative Information*. (This Standard makes amendments to *AASB 17 Insurance Contracts*, July 2017. These amendments arise from the issuance of International Financial Reporting Standard Initial Application of IFRS 9 – Comparative Information (Amendment to IFRS 17) by the International Accounting Standards Board (IASB) in December 2021)

Effective for NFP annual reporting periods beginning on or after 1 January 2024

- *AASB 2022-5 Amendments to Australian Accounting Standards - Lease Liability in a Sale and Leaseback*. (This Standard makes amendments to *AASB 16 Leases*, February 2016. These amendments arise from the issuance of

for the year ended 30 June 2023

Note 1. Summary of Significant Accounting Policies (continued)

International Financial Reporting Standard Lease Liability in a Sale and Leaseback (Amendments to IFRS 16) by the International Accounting Standards Board (IASB) in September 2022)

- *AASB 2022-10 Amendments to Australian Accounting Standards - Fair Value Measurement of Non-Financial Assets of Not-for-Profit Public Sector Entities* (This Standard makes amendments to *AASB 13 Fair Value Measurement*, August 2015 for application by not-for profit public sector)

Effective for NFP annual reporting periods beginning on or after 1 January 2026 for public sector

- *AASB 2022-9 Amendments to Australian Accounting Standards – Insurance Contracts in the Public Sector*. (This Standard amends *AASB 17 Insurance Contracts*, July 2017 and *AASB 1050 Administered Items*, December 2007 to include modifications related to the application of *AASB 17* by public sector entities. This Standard also amends the following Standards to remove the temporary consequential amendments set out in *AASB 2022-8 Amendments to Australian Accounting Standards – Insurance Contracts: Consequential Amendments* since *AASB 4 Insurance Contracts*, August 2015 and *AASB 1023 General Insurance Contracts*, July 2004 do not apply to public sector entities for periods beginning on or after 1 July 2026: *AASB 1 First-time Adoption of Australian Accounting Standards*, July 2015, *AASB 3 Business Combinations*, August 2015, *AASB 5 Non-current Assets Held for Sale and Discontinued Operations*, August 2015, *AASB 7 Financial Instruments: Disclosures*, August 2015, *AASB 9 Financial Instruments*, December 2014, *AASB 15 Revenue from Contracts with Customers*, December 2014, *AASB 119 Employee Benefits*, August 2015, *AASB 132 Financial Instruments: Presentation*, August 2015, *AASB 136 Impairment of Assets*, August 2015, *AASB 137 Provisions, Contingent Liabilities and Contingent Assets*, August 2015, *AASB 138 Intangible Assets*, August 2015, *AASB 1057 Application of Australian Accounting Standards*, July 2015, *AASB 1058 Income of Not-for-Profit Entities*, December 2016)

(14) Comparative figures

To ensure comparability with the current reporting period's figures, some comparative period line items and amounts may have been reclassified or individually reported for the first time within these financial statements and/or the notes.

(15) COVID-19 Impact

Council continues to monitor the impact of Covid-19 pandemic on our community, organisation, services and service delivery. Demand for some services has steadily returned since the re-opening of services, however some have yet to return to pre Covid-19 levels of demand. This will impact on Council revenue projections in the short term. Council also has a number of additional costs due to Covid-19. These include cleaning, personal protective equipment and ICT related costs. The Council has worked to reduce discretionary expenditure in the short term to help mitigate the effect of the reduced revenue and increased costs. Any further restrictions may impact on Council's revenue and expenditure. Council has also put in place a number of arrangements to provide relief by postponing the due date of ratepayers who are suffering hardship and foregoing some interest on overdue payments.

(16) Disclaimer

Nothing contained within these statements may be taken to be an admission of any liability to any person under any circumstance.

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 7. Infrastructure, property, plant & equipment and investment property (continued)

Valuation of infrastructure, property, plant & equipment and investment property

Valuation of assets

The fair value of assets and liabilities must be estimated in accordance with various Accounting Standards for either recognition and measurement requirements or for disclosure purposes.

AASB 13 Fair Value Measurement requires all assets and liabilities measured at fair value to be assigned to a "level" in the fair value hierarchy as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Refer to Note 7(a) for the disclosure of the Fair Value Levels of Infrastructure, Property, Plant and Equipment Assets.

Information on valuations

Fair value hierarchy level 2 valuations - Certain land, and the buildings and structures thereon, are shown above as being based on fair value hierarchy level 2 valuation inputs. They are based on prices for similar assets in an active market, with directly or indirectly observable adjustments for specific advantages or disadvantages attaching to the particular asset.

Fair value hierarchy level 3 valuations of land - Valuations of Crown land, community land and land subject to other restrictions on use or disposal, shown above as being based on fair value hierarchy level 3 valuation inputs, are based on prices for similar assets in an active market, but include adjustments for specific advantages or disadvantages attaching to the particular asset that are not directly or indirectly observable in that market, or the number and / or amount of observable adjustments of which are so great that the valuation is more fairly described as being based on level 3 valuation inputs.

Fair value hierarchy level 3 valuations of buildings, infrastructure and other assets - There is no known market for buildings, infrastructure and other assets. These assets are valued at depreciated current replacement cost. This method involves:

- The determination of the cost to construct the asset (or its modern engineering equivalent) using current prices for materials and labour, the quantities of each being estimated based on recent experience of this or similar Councils, or on industry construction guides where these are more appropriate.
- The calculation of the depreciation that would have accumulated since original construction using current estimates of residual value and useful life under the prime cost depreciation method adopted by Council.

This method has significant inherent uncertainties, relying on estimates of quantities of materials and labour, residual values and useful lives, and the possibility of changes in prices for materials and labour, and the potential for development of more efficient construction techniques. Accordingly, formal sensitivity analysis does not provide useful information.

Transfers between fair value hierarchy levels

In the course of revaluing the nature of the inputs applied was reviewed in detail for each asset and where necessary, the asset reassigned to the appropriate fair value hierarchy level. Such transfers take effect as at the date of the revaluation.

Other information

At 1 July 2004 upon the transition to AIFRS, Council elected pursuant to *AASB 1.D5* to retain a previously established deemed cost under GAAP as its deemed cost. With subsequent addition at cost, this remains as the basis of recognition of non-material asset classes.

Upon revaluation, the current new replacement cost and accumulated depreciation are re-stated such that the difference represents the fair value of the asset determined in accordance with *AASB 13 Fair Value Measurement*: accumulated depreciation is taken to be the difference between current new replacement cost and fair value. In the case of land, current replacement cost is taken to be the fair value.

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 7. Infrastructure, property, plant & equipment and investment property (continued)

Highest and best use

All of Council's non financial assets are considered as being utilised for their highest and best use.

Transition to AASB 13 - Fair Value Measurement

The requirements of AASB 13 Fair Value Measurement have been applied to all valuations undertaken since 1 July 2013 as shown by the valuation dates by individual asset classes below.

Land

- Basis of valuation: Fair Value / Market Value
- Date of valuation: 1 July 2019
- Valuer: Marsh Pty Ltd T/as AssetVal

Land Improvements

- Basis of valuation: Recognised at Cost

Water Licence Entitlement

- Basis of valuation: Fair Value / Market Value
- Date of Valuation 30 June 2023
- Valuer: Council using Market Rates

Buildings & Other Structures

- Basis of valuation: Fair Value / Market Value
- Date of valuation: 1 July 2019
- Valuer: Marsh Pty Ltd T/as AssetVal

Mid Murray Council have identified assets which are required to be valued under a market approach, in accordance with AASB 13 - Fair Value Measurement. The assets were subsequently revalued by Marsh Pty Ltd as at 1 July 2019. The balance of the assets were valued at Depreciated Replacement Cost.

Infrastructure

Roads & Road Earthworks

- Basis of valuation: Replacement Cost. Additions at cost.
- Date of valuation: 1 July 2021
- Valuer: Council valuation using unit rates

Bridges and Major Culverts

- Basis of valuation: Written Down Replacement Cost. Additions at cost.
- Date of valuation: 1 July 2022.
- Valuer: Insight Asset Services

Stormwater Drainage

- Basis of valuation: Written Down Replacement Cost. Additions at cost
- Date of valuation: 1 July 2019
- Valuer: Gayler Professional Engineering Pty Ltd

Effluent Drainage

- Basis of valuation: Written Down Replacement Cost. Additions at cost.
- Date of valuation: 1 July 2022.
- Valuer: Gayler Professional Engineering Pty Ltd

Footpaths and Kerbing

- Basis of Valuation: Written Down Replacement Cost, Additions at Cost
- Date of Valuation: 1 July 2022
- Valuer: Insight Asset Services

Other

Notes to and forming part of the Financial Statements

for the year ended 30 June 2023

Note 7. Infrastructure, property, plant & equipment and investment property (continued)

Council plans to undertake a full revaluation that will include condition based assessments and review of unit rates of its assets on a five-yearly rolling program according to the following schedule in consultation with its external asset management consultants.

Effluent Drainage	2023/24
Stormwater Drainage	2024/25
Land, Buildings & Assoc Structures	2024/25
Roads & Road Earthworks	2026/27
Footpaths & Kerbing	2027/28
Bridges & Major Culverts	2027/28
Water Supply Infrastructure	Under Review
Marine Facilities	Under Review
Heritage Tourism Assets	Under Review

Note 8. Liabilities

Note 11. Reconciliation to Statement of Cash Flows

\$ '000	Notes	2023	2022
---------	-------	------	------

(a) Reconciliation of cash

Cash assets comprise highly liquid investments with short periods to maturity subject to insignificant risk of changes of value. Cash at the end of the reporting period as shown in the Statement of Cash Flows is reconciled to the related items in the Statement of Financial Position as follows:

Total cash and equivalent assets	5a	1,380	1,659
Balances per Statement of Cash Flows		1,380	1,659

(b) Reconciliation of change in net assets to cash from operating activities

Net surplus/(deficit)		(1,628)	824
Non-cash items in income statements			
Depreciation, amortisation and impairment		6,190	6,725
Grants for capital acquisitions treated as investing activity		(2,496)	(592)
Net (gain)/loss on disposals		148	422
		2,214	7,379
Add (less): changes in net current assets			
Net (increase)/decrease in receivables		(1,162)	105
Change in allowances for under-recovery of receivables		(8)	–
Net (increase)/decrease in inventories		(12)	(56)
Net (increase)/decrease in other assets		16	(1,534)
Net increase/(decrease) in trade and other payables		1,154	(73)
Net increase/(decrease) in unpaid employee benefits		211	78
Net increase/(decrease) in other provisions		(296)	44
Net cash provided by (or used in) operations		2,117	5,943

(c) Financing arrangements

Unrestricted access was available at balance date to the following lines of credit:

Corporate credit cards	50	50
LGFA cash advance debenture facility	23,568	23,568

The Cash advance facilities have the following expiry dates:

Debenture	Limit	Expiry Date
M83	\$2,300,000	16/03/2025
M84	\$5,000,000	15/06/2026
M85	\$11,268,000	16/04/2028
M86	\$5,000,000	15/06/2035

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Revenues and expenses exclude net gain (loss) on disposal or revaluation of assets, amounts received specifically for new or upgraded assets and physical resources received free of charge.

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 12(b). Components of functions

The activities relating to Council functions are as follows:

Other

Natural Disaster Recovery.

CEO

Chief Executive's office.

PEOPLE & CULTURE

Elected Members, Governance, Business Improvement and Human Resources.

CORPORATE SERVICES

Corporate Services and Risk Management.

FINANCIAL SERVICES

Financial Services, Audit Function, Revenue Collection, Procurement, Loans and Investments.

FUNDING

Rates General, Rates Other and Grants Commission.

INFORMATION MANAGEMENT

Customer Service, Information Technology and Records Management.

LIBRARIES

All Libraries including Mannum and Morgan.

COMMUNITY CARE

Community Services including Morgan Activity Centre and Hub, Blanchetown Community Centre, Aged/Disabled/Disadvantaged Homes, Family Connections, Suicide Prevention Network and Health Centres.

COMMUNITY TRANSPORT

Community Transport and Community Passenger Network.

CULTURAL SERVICES

Cultural Services including Port of Morgan Heritage Centre.

TOURISM AND DEVELOPMENT

Tourism, Economic Development and Mannum Dock.

COUNCIL PROPERTIES

Including Admin Buildings, Public Conveniences, Mannum Caravan Park, Television Services, Licenses and Leases.

REGULATORY SERVICES

Includes Dog and Cat Control, Parking, Camping Sites and Other General Inspection, Fire Prevention/Protection and Illegal Developments.

HEALTH SERVICES

Environmental Health Services and Health Prevention Services.

ENVIRONMENT SERVICES

Natural Resources Management and Environmental General Services.

DEVELOPMENT SERVICES

Includes Development General Services, Building Assessments and Planning Assessments.

WASTE MANAGEMENT

Waste Collections, Disposal Facility Cambrai, Transfer Stations, Recycling and Organics Waste Management and General Waste Management Services.

MARINE FACILITIES

Mannum and Morgan Wharf Precincts and Other Marine Facilities.

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 12(b). Components of functions (continued)

SPORT AND RECREATION

Mannum Leisure Centre, Mannum and Cambrai Swimming Pools.

OPEN SPACE

Includes Mary Ann, Morgan Riverfront, Pioneer Park, Graeme Claxton and other open spaces.

FOOTPATHS AND CYCLE TRACKS

Footpaths and Cycle Tracks.

STORMWATER

Stormwater services.

CEMETERIES

Cemeteries services.

ROADS

Sealed and Unsealed Roads, Road Reserves, Bridges, Kerbs and Gutters, Street Lighting and Traffic Control.

INFRASTRUCTURE SERVICES

Infrastructure, Asset Management & GIS Services and Emergency Responses.

WORKS OVERHEADS

Works Depot and Private Works services.

PLANT AND MACHINERY

Plant and Machinery Services for Capital and Operations.

WATER SUPPLY

Water Supply service for Bowhill.

COMMUNITY WASTEWATER MANAGEMENT

Provision of Community Wastewater Management Schemes for various private-owned shacks and townships.

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 13. Financial instruments

Recognised financial instruments

Bank, deposits at call, short term deposits

Accounting Policy:

Initially recognised at fair value and subsequently measured at amortised cost; interest is recognised when earned.

Terms & Conditions:

Deposits at call are returning interest rates between 0.15% and 4.30% (2022: 0.0% and 1.05%). All Council deposits are held in at call accounts.

Carrying Amount:

Approximates fair value due to the short term to maturity.

Receivables - rates and associated charges

Accounting Policy:

Initially recognised at fair value and subsequently measured at amortised cost. An impairment provision is recognised using the expected credit loss method.

Terms & Conditions:

Secured over the subject land, arrears attract interest of 5.8% (2022: 5.05%). Council is not materially exposed to any individual debtor, credit risk exposure is concentrated within the Council's boundaries in the State.

Carrying Amount:

Approximates fair value (after deduction of any allowance).

Receivables - fees and other charges

Accounting policy:

Initially recognised at fair value and subsequently measured at amortised cost. An impairment provision is recognised using the expected credit loss method.

Terms and conditions:

Unsecured, and do not bear interest. Council is not materially exposed to any individual debtor, credit risk exposure is concentrated within the Council's boundaries.

Carrying amount:

Approximates fair value (after deduction of any allowance).

Receivables - other levels of government

Accounting policy:

Initially recognised at fair value and subsequently measured at amortised cost. An impairment provision is recognised using the expected credit loss method.

Terms and conditions:

Amounts due have been calculated in accordance with the terms and conditions of the respective programs following advice of approvals, and do not bear interest. All amounts are due by Departments and Agencies of State and Federal Governments.

Carrying amount:

Approximates fair value.

Receivables - retirement home contributions

Accounting policy:

Initially recognised at fair value and subsequently measured at amortised cost. An impairment provision is recognised using the expected credit loss method.

Notes to and forming part of the Financial Statements

for the year ended 30 June 2023

Note 13. Financial instruments (continued)

Terms and conditions:

Amounts due have been calculated in accordance with the terms and conditions of the respective legislation.

Carrying amount:

Approximates fair value (after deduction of any allowance).

Liabilities - creditors and accruals

Accounting policy:

Liabilities are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Council.

Terms and conditions:

Liabilities are normally settled on 30 day terms.

Carrying amount:

Approximates fair value.

Liabilities - interest bearing borrowings

Accounting Policy:

Initially recognised at fair value and subsequently at amortised cost using the effective interest rate.

Terms & Conditions:

Secured over future revenues, borrowings are repayable (describe basis); interest is charged at fixed or variable rates between 1.85% and 6.05% (2022: 1.3% and 5.75%).

Carrying Amount:

Approximates fair value.

Liabilities - leases

Accounting policy:

Accounted for in accordance with AASB 16 as stated in Note 17.

Fixed interest rates	2.84%	7,510	3.78%	3,150
		8,603		8,150

Net fair value

All carrying values approximate fair value for all recognised financial instruments. There is no recognised market for the financial assets of the Council.

Notes to and forming part of the Financial Statements

for the year ended 30 June 2023

Note 13. Financial instruments (continued)

Risk exposures

Credit Risk represents the loss that would be recognised if counterparties fail to perform as contracted. The maximum credit risk on financial assets of the Council is the carrying amount, net of any impairment. All Council investments are made with the SA Local Government Finance Authority and are guaranteed by the SA Government. Except as detailed in Notes 5 and 6 in relation to individual classes of receivables, exposure is concentrated within the Council's boundaries, and there is no material exposure to any individual debtor.

Market Risk is the risk that fair values of financial assets will fluctuate as a result of changes in market prices. All of Council's financial assets are denominated in Australian dollars and are not traded on any market, and hence neither market risk nor **currency risk** apply.

Liquidity Risk is the risk that Council will encounter difficulty in meeting obligations with financial liabilities. In accordance with the model Treasury Management Policy (LGA Information Paper 15), liabilities have a range of maturity dates. Council also has available a range of bank overdraft and standby borrowing facilities that it can access.

Interest Rate Risk is the risk that future cash flows will fluctuate because of changes in market interest rates. Council has a balance of both fixed and variable interest rate borrowings and investments. Cash flow fluctuations are managed holistically in seeking to minimise interest costs over the longer term in a risk averse manner.

Expected credit losses (ECL)

Council uses an allowance matrix to measure expected credit losses for receivables from individual customers, which comprise a large number of small balances. As rates and annual charges are secured over subject land no allowance for such receivables is made. The following table provides information about Council's ECLs from receivables (excluding secured rates and charges, GST and other amounts held in trust). Impairment analysis is performed each reporting date. ECLS are based on credit history adjusted for forward looking estimates and economic conditions.

\$ '000	ECL Rate	Gross carrying amount	Expected Loss
2023			
Current (not past due)	0.4%	—	—
Past due 1-30 days	1.3%	628	8
Past due 31-60 days	1.5%	220	3
Past due 61-90 days	1.7%	29	—
Past due 91 days +	1.8%	118	2
		995	13
		—	—

Set out below is the movement in the allowance for expected credit losses:

Note 15. Financial indicators

	Indicator 2023	Indicators 2022	Indicators 2021
Financial Indicators overview			
<i>These Financial Indicators have been calculated in accordance with Information paper 9 - Local Government Financial Indicators prepared as part of the LGA Financial Sustainability Program for the Local Government Association of South Australia.</i>			
1. Operating Surplus Ratio			
Operating surplus			
Total operating income	(9.5)%	2.6%	(2.1)%
<i>This ratio expresses the operating surplus as a percentage of total operating revenue.</i>			
2. Net Financial Liabilities Ratio			
Net financial liabilities			
Total operating income	34%	37%	48%
<i>Net Financial Liabilities are defined as total liabilities less financial assets (excluding equity accounted investments in Council businesses). These are expressed as a percentage of total operating revenue.</i>			
Adjusted Operating Surplus Ratio			
Operating surplus			
Total operating income	(11.2)%	(1.7)%	(2.3)%
Adjustments to Ratios			
<i>In recent years the Federal Government has made advance payments prior to 30th June from future year allocations of financial assistance grants, as explained in Note 1. These Adjusted Ratios correct for the resulting distortion in key ratios for each year and provide a more accurate basis for comparison.</i>			
Adjusted Net Financial Liabilities Ratio			
Net financial liabilities			
Total operating income	51%	56%	48%
3. Asset Renewal Funding Ratio			
Asset renewals			
Infrastructure and Asset Management Plan required expenditure	54%	76%	120%
<i>Asset renewals expenditure is defined as capital expenditure on the renewal and replacement of existing assets relative to the optimal level planned, and excludes new capital expenditure on the acquisition of additional assets.</i>			

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 15. Financial indicators (continued)

Financial indicators - graphs

1. Operating Surplus Ratio

Purpose of operating surplus ratio

This indicator is to determine the percentage the operating revenue varies from operating expenditure

Commentary on 2022/23 result

2022/23 ratio (9.5)%

2. Net Financial Liabilities Ratio

Purpose of net financial liabilities ratio

This indicator shows the significance of the net amount owed to others, compared to operating revenue

Commentary on 2022/23 result

2022/23 ratio 34%

Councils borrowings (\$8.603m at 30 June) are reduced by \$7.05m of income received in advance including Financial Assistance Grants of \$4.842m and various Capital Grants of \$1.67m and Operating Grants of \$0.54m. This does enable some savings in our Interest Payable Expense.

Adjusted Operating Surplus Ratio

Purpose of adjusted operating surplus ratio

This indicator is to determine the percentage the operating revenue (adjusted for timing differences in the Financial Assistance Grant) varies from operating expenditure

Commentary on 2022/23 result

2022/23 ratio (11.2)%

Council received \$4.842m of Financial Assistance Grants in Advance in June 2023. Flood expenditure of \$7.6m was offset by Flood response income of \$3.422m

for the year ended 30 June 2023

Note 15. Financial indicators (continued)

Adjusted Net Financial Liabilities Ratio

Purpose of adjusted net financial liabilities ratio
This indicator is to determine the percentage the operating revenue (adjusted for timing differences in the Financial Assistance Grant) varies from operating expenditure

Commentary on 2022/23 result	
2022/23 ratio	51%
Councils net financial liabilities would have been in excess of \$15m at June 30 if not for the early receipt of Financial Assistance Grants and the carry forward of unexpended grant funding, but still less than 100% of income.	

3. Asset Renewal Funding Ratio

Purpose of asset renewal funding ratio
This indicator aims to determine if assets are being renewed and replaced in an optimal way

Commentary on 2022/23 result	
2022/23 ratio	54%
Asset renewal expenditure did not reach original budget targets due to the redirection of resources to flood contingency and recovery activities.	

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 16. Uniform presentation of finances

\$ '000	2023	2022
---------	------	------

The following is a high level summary of both operating and capital investment activities of the Council prepared on a simplified Uniform Presentation Framework basis.

All Councils in South Australia have agreed to summarise annual budgets and long-term financial plans on the same basis.

The arrangements ensure that all Councils provide a common 'core' of financial information, which enables meaningful comparisons of each Council's finances.

Income

Rates	17,787	16,584
Statutory charges	422	488
User charges	1,705	1,237
Grants, subsidies and contributions - capital	1,006	—
Grants, subsidies and contributions - operating	9,305	6,743
Investment income	58	6
Reimbursements	324	236
Other income	514	353
Total Income	31,121	25,647

Expenses

Employee costs	9,288	8,174
Materials, contracts and other expenses	18,343	9,860
Depreciation, amortisation and impairment	6,190	6,725
Finance costs	270	234
Total Expenses	34,091	24,993

Operating surplus / (deficit)	(2,970)	654
--------------------------------------	----------------	------------

Timing adjustment for grant revenue	(470)	(1,082)
-------------------------------------	-------	---------

Adjusted Operating surplus / (deficit)	(3,440)	(428)
---	----------------	--------------

Net outlays on existing assets

Capital expenditure on renewal and replacement of existing assets	(2,669)	(3,314)
Add back depreciation, amortisation and impairment	6,190	6,725
Add back proceeds from sale of replaced assets	228	62
	3,749	3,473

Net outlays on new and upgraded assets

Capital expenditure on new and upgraded assets (including investment property and real estate developments)	(2,934)	(1,764)
Add back amounts received specifically for new and upgraded assets	1,490	1,005
	(1,444)	(759)

Annual net impact to financing activities (surplus/(deficit))	(1,135)	2,286
--	----------------	--------------

Note 17. Leases

Council as a lessor

Council owns various buildings, plant and other facilities that are available for hire or lease (on a non-cancellable basis wherever practicable) in accordance with the published revenue policy. Rentals received from such leases are disclosed as Property Lease and Caravan Park Revenue.

Notes to and forming part of the Financial Statements

for the year ended 30 June 2023

Note 17. Leases (continued)

Investment property

Rentals received, and outgoings reimbursed, in relation to Investment Property are also disclosed in Note 2. These lease agreements, all of which are classified as operating leases, are made on a non-cancellable basis wherever practicable.

\$ '000	2023	2022
Future minimum rentals receivable under non-cancellable operating leases as at 30 June, are as follows:		
Not later than one year	451	336
Later than one year and not later than 5 years	1,388	1,138
Later than 5 years	5,556	634
	7,395	2,108

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 18. Superannuation

The Council makes employer superannuation contributions in respect of its employees to Hostplus (formerly Local Government Superannuation Scheme and Statewide Super). There are two types of membership, each of which is funded differently. Permanent and contract employees of the South Australian Local Government sector with Salarylink benefits prior to 24 November 2009 have the option to contribute to the Accumulation section and/or Salarylink. All other employees (including casuals) have all contributions allocated to the Accumulation section.

Accumulation only members

Accumulation only members receive both employer and employee contributions on a progressive basis. Employer contributions are based on a fixed percentage of ordinary time earnings in accordance with superannuation guarantee legislation (10.50% in 2022/23; 10.00% in 2021/22). No further liability accrues to the Council as the superannuation benefits accruing to employees are represented by their share of the net assets of the Fund.

Salarylink (Defined Benefit Fund) members

Salarylink is a defined benefit scheme where the benefit payable is based on a formula determined by the member's contribution rate, number of years and level of contribution and final average salary. Council makes employer contributions to Salarylink as determined by the Fund's Trustee based on advice from the appointed Actuary. The rate is currently 6.3% (6.3% in 2021/22) of "superannuation" salary.

In addition, Council makes a separate contribution of 3% of ordinary time earnings for Salarylink members to their Accumulation account. Employees also make member contributions to the Salarylink section of the Fund. As such, assets accumulate in the Salarylink section of the Fund to meet the member's benefits, as defined in the Trust Deed, as they accrue.

The Salarylink section is a multi-employer sponsored plan. As the Salarylink section's assets and liabilities are pooled and are not allocated by each employer, and employees may transfer to another employer within the local government sector and retain membership of the Fund, the Actuary is unable to allocate benefit liabilities, assets and costs between employers. As provided by AASB 119.34(a), Council does not use defined benefit accounting for these contributions.

The most recent actuarial investigation was conducted by the Fund's actuary, Louise Campbell, FIAA, of Willis Towers Watson as at 30 June 2020. The Trustee has determined that the current funding arrangements are adequate for the expected Salarylink liabilities. However, future financial and economic circumstances may require changes to Council's contribution rates at some future time.

Contributions to other superannuation schemes

Council also makes contributions to other superannuation schemes selected by employees under the "choice of fund" legislation. All such schemes are of the accumulation type, where the superannuation benefits accruing to the employee are represented by their share of the net assets of the scheme, and no further liability attaches to the Council.

Note 19. Interests in other entities

Council has no interest in any Equity Accounted Businesses such as Joint Ventures, Associates & Joint Operations.

Note 20. Non-current assets held for sale and discontinued operations

Details of assets and disposal groups

Council does not have any Non-Current Assets held for sale or any Discontinued Operations.

Notes to and forming part of the Financial Statements for the year ended 30 June 2023

Note 21. Contingencies and assets/liabilities not recognised in the balance sheet

The following assets and liabilities do not qualify for recognition in the Statement of Financial Position, but knowledge is considered relevant to the users of the financial report in making and evaluating decisions about the allocation of scarce resources.

1. Land under roads

As reported in the Financial Statements, Council is of the opinion that it is not possible to attribute a value sufficiently reliably for these assets to qualify for recognition, and accordingly land under roads has not been recognised in the reports. Land acquired for road purposes during the year is initially recognised at cost, but transferred to fair value at reporting date, effectively writing off the expenditure.

At reporting date, Council controlled 3536 km of road reserves of average width 20 metres.

2. Potential insurance losses

Council is a multi-purpose organisation providing a large range of building, parks infrastructure, playgrounds and other facilities accessible to the public. At any time, it is likely that claims will have been made against Council that remain unsettled.

Council insures against all known insurable risks using a range of insurance policies, each of which is subject to deductible "insurance excesses", the amount of which varies according to the class of insurance.

Council has recognised the potential losses arising from claims known at reporting date based on average historical net cost (including insurance excess) of similar types of claims. Other potential claims not reported to Council may have existed at reporting date.

3. Legal expenses

Council is the planning consent authority for its area under the Planning, Development and Infrastructure Act 2016 (as amended). Pursuant to that Act, certain persons aggrieved by a planning decision of the Council may appeal. It is normal practice that parties bear their own legal costs. At the date of these reports, Council had no notice of appeals against planning decisions made prior to reporting date. All known costs have been recognised, but the amount of further costs cannot be known until the appeals are determined (if any).

Note 22. Events after the balance sheet date

Events that occur after the reporting date of 30 June 2023, up to and including the date when the financial statements are "authorised for issue" have been taken into account in preparing these statements.

Council has adopted the date of receipt of the Auditors' Report as the appropriate "authorised for issue" date relating to these General Purpose Financial Statements.

Council is unaware of any material or significant "non adjusting events" that should be disclosed.

Notes to and forming part of the Financial Statements

for the year ended 30 June 2023

Note 23. Related party transactions

Key management personnel

Transactions with key management personnel

The Key Management Personnel of the Council include the Mayor, Councillors, CEO and certain prescribed officers under section 112 of the Local Government Act 1999. In all, 21 persons were paid the following total compensation.

\$ '000	2023	2022
The compensation paid to key management personnel comprises:		
Short-term employee benefits	1,042	976
Post-employment benefits	79	66
Total	1,121	1,042

Amounts paid as direct reimbursement of expenses incurred on behalf of Council have not been included above.

Receipts from key management personnel comprise:

Other than amounts paid as ratepayers or residents (e.g. rates, swimming pool entry fees, etc.), Council received the following amounts in total:

Planning and building application Fees	1	1
Purchases on Normal Trading Terms	–	4
Total	1	5

Key Management Personnel and/or close family members where committee members of the following Not for Profit organisations that during the year received Community Grants :

Purnong District Hall \$1,000
Purnong, Caurnamont & Districts Progress Assoc \$3,000

Key Management Personnel and/or close family members are committee members of the following Not for Profit organisations that had interest free or subsidized interest rate Community Loans during the financial year :

- Swan Reach Golf Club made repayments of \$5,649. Loan balance 30 June 2023 \$33,188
- Mannum Golf Club made repayments of \$5,000. Loan balance 30 June 2023 \$Nil

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE MID MURRAY COUNCIL

Opinion

We have audited the accompanying financial report of the Mid Murray Council, which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the Certification of the Financial Statements.

In our opinion, the financial report gives a true and fair view of the financial position of the Mid Murray Council as of 30 June 2023, and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards and the Local Government Act 1999 and the *Local Government (Financial Management) Regulations 2011*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation of the financial report, which gives a true and fair view in accordance with Australian Accounting Standards and the *Local Government Act 1999* and the *Local Government (Financial Management) Regulations 2011*, and for such internal control as the committee and management determines is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.

INDEPENDENT ASSURANCE REPORT ON INTERNAL CONTROLS OF MID MURRAY COUNCIL

Opinion

We have audited the compliance of the Mid Murray Council (the Council) with the requirements of Section 125 of the Local Government Act 1999 in relation to the Internal Controls established by the Council to ensure that financial transactions relating to the receipt, expenditure and investment of money, acquisition and disposal of property and incurring of liabilities for the period 1 July 2022 to 30 June 2023 are in accordance with legislative provisions.

In our opinion, the Council has complied, in all material respects, with Section 125 of the Local Government Act 1999 in relation to Internal Controls, established by the Council in relation to the receipt, expenditure and investment of money, acquisition and disposal of property and incurring of liabilities so as to provide reasonable assurance that the financial transactions of the Council have been conducted properly and in accordance with legislative provisions for the period 1 July 2022 to 30 June 2023.

Limitation on Use

This report has been prepared for the members of the Council in accordance with Section 129 of the Local Government Act 1999 in relation to Internal Controls specified above. We disclaim any assumption of responsibility for any reliance on this report to any persons or users other than the members of the Council, or for any purpose other than that for which it was prepared.

Limitations of Controls

Because of the inherent limitations of any internal control structure it is possible that, even if the controls are suitably designed and operating effectively, the control objectives may not be achieved so that fraud, error, or non-compliance with laws and regulations may occur and not be detected.

An assurance engagement on internal controls is not designed to detect all instances of controls operating ineffectively as it is not performed continuously throughout the period and the tests performed are on a sample basis. Any projection of the outcome of the evaluation of controls to future periods is subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

Independence

In conducting our engagement, we have complied with the independence requirements of the Australian professional accounting bodies.

The Council's Responsibility for the Internal Controls

The Council is responsible for implementing and maintaining an adequate system of internal controls, in accordance with *Section 125 of the Local Government Act 1999* in relation to Internal Controls, to ensure that the receipt, expenditure and investment of money, the acquisition and disposal of property, and incurring of liabilities are in accordance with legislative provisions.

Our Responsibility

Our responsibility is to express an opinion on the Council's compliance with Section 125 of the Local Government Act 1999 in relation only to the Internal Controls established by the Council to ensure that financial transactions relating to the receipt, expenditure and investment of money, acquisition and disposal of property and incurring of liabilities, based on our procedures. Our engagement has been conducted in accordance with applicable Australian Standards on Assurance Engagements ASAE 3000 Assurance Engagements Other than Audits or Reviews of Historical Financial Information and ASAE 3150 Assurance Engagement on Controls, issued by the Australian Auditing and Assurance Standards Board, in order to state whether, in all material respects, the Council has complied with Section 125 of the Local Government Act 1999 in relation only to the Internal Controls specified above for the period 1 July 2022 to 30 June 2023. ASAE 3000 also requires us to comply with the relevant ethical requirements of the Australian professional accounting bodies.

Our procedures included obtaining an understanding of internal controls in relation to the receipt, expenditure and investment of money, the acquisition and disposal of property and the incurring of liabilities, evaluating management's assessment of these internal controls, assessing the risk that a material weakness exists, and testing and evaluating the design and implementation of controls on a sample basis on the assessed risks.

MRLGA OVERVIEW

Mission

Being a unified local government sector working in the best interest of the region and our communities.

Our Charter

- Speaking with one voice
- Building partnerships
- Working with the LGA
- Planning for and with the region
- Coordinating resources and representation
- Enhancing efficiencies

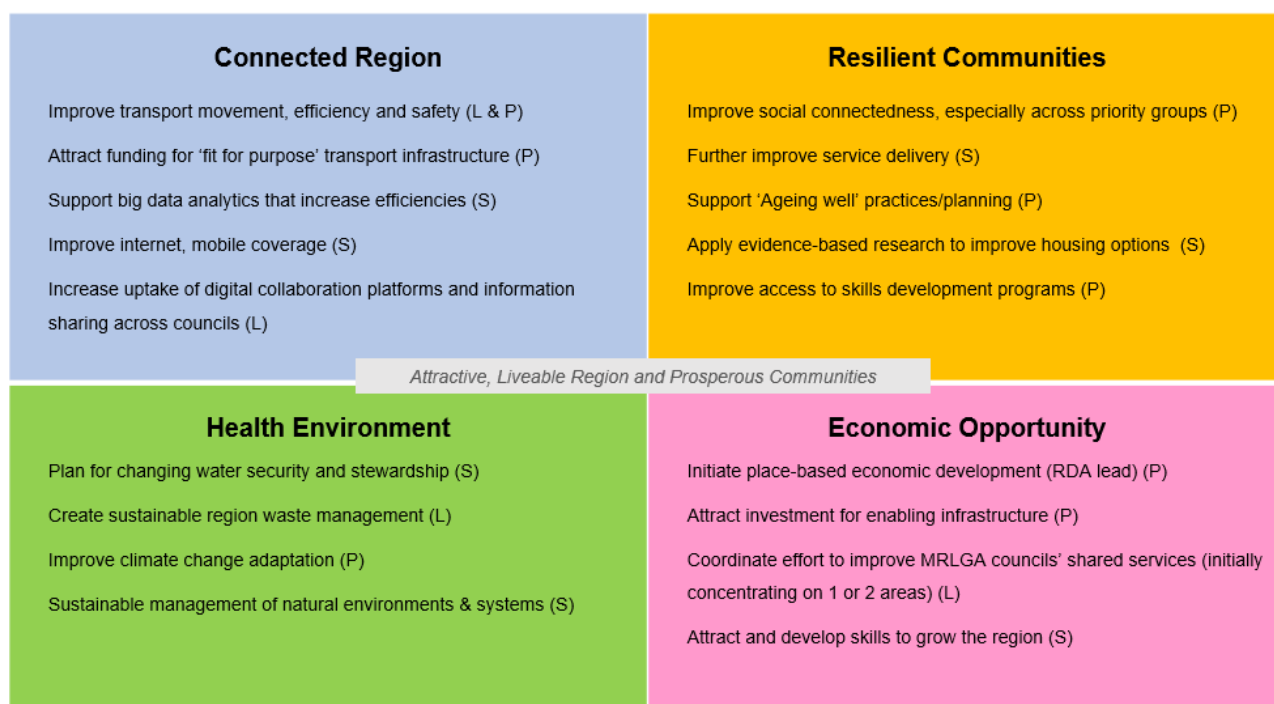

Values and Behaviours

Integrity, Leadership, Collaboration, Credibility, Unity

Role

Working to the MRLGA Charter, the Association motivates, advocates and represents its eight constituent Councils to advance cooperation, strategic partnerships and governance arrangements that oversee programs and projects in the region. Through its coordination of effort, the Association leads and assists its councils with evidence-based approaches to high level planning, communication and representation. The MRLGA works closely with Local Government Association SA, Commonwealth and State Governments, as well as regional partners including Regional Development Australia Murraylands and Riverland (RDA MR) and Murraylands & Riverland Landscape Board.

Strategic Framework

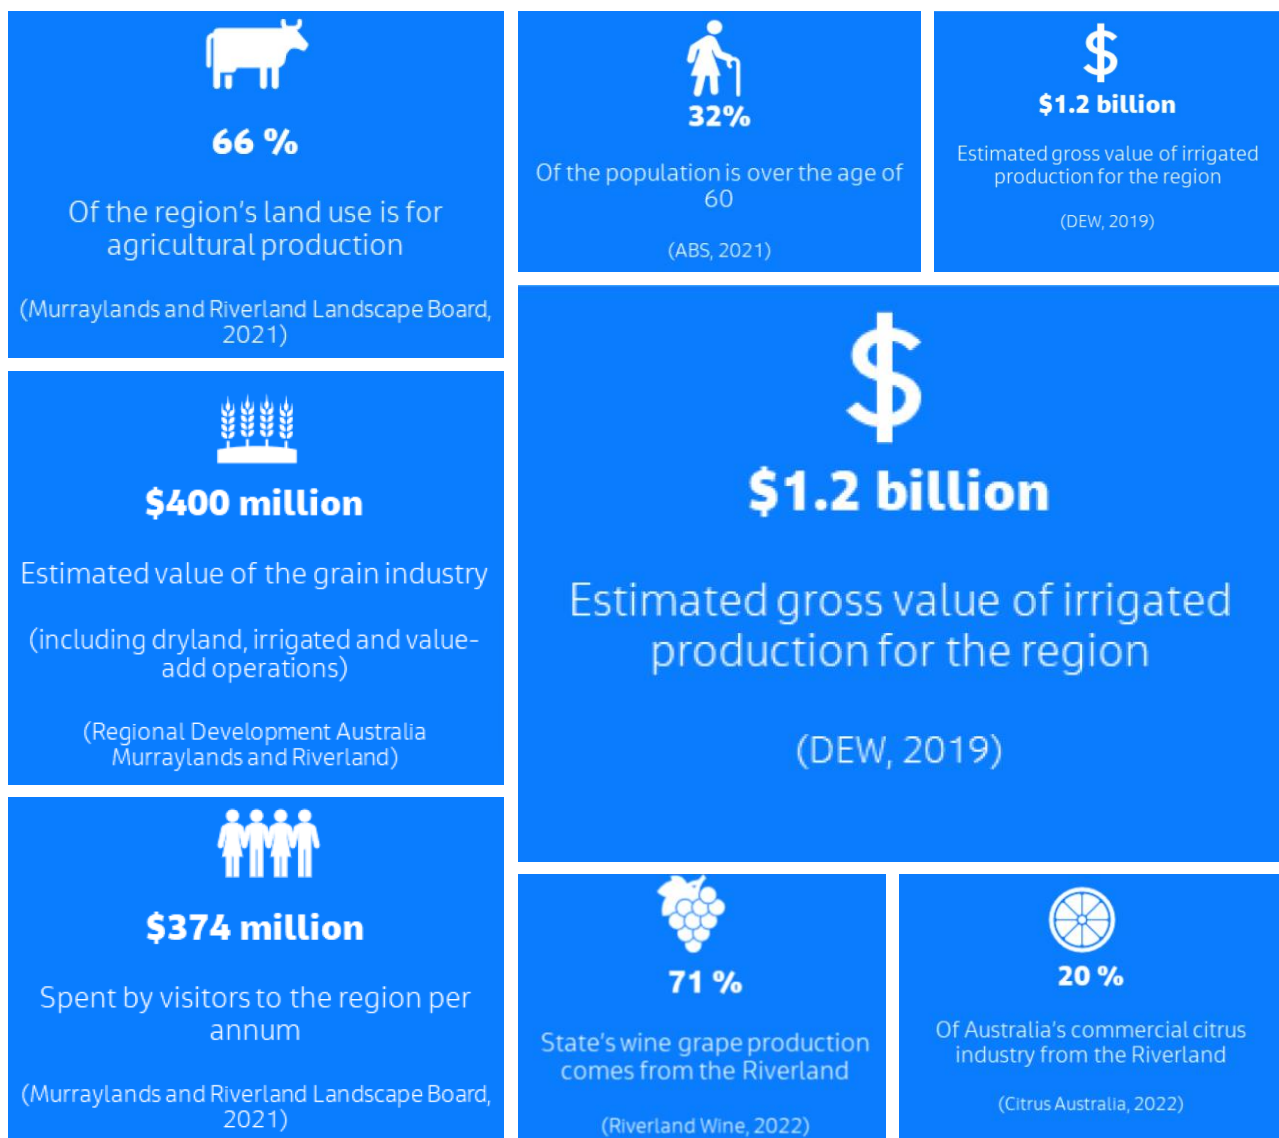

REGIONAL STATISTICS

The Murraylands and Riverland's Gross Regional Product is estimated at **\$4.64 billion**, which represents 3.73% of the state's GSP (Gross State Product).

GRP \$4.64 billion <small>NIEIR 2022</small>	Population 73,243 <small>ABS ERP 2022</small>	Local jobs 31,137 <small>NIEIR 2022</small>
Largest industry (by employment) Agriculture, Forestry and Fishing <small>NIEIR 2022</small>	Local businesses 6,672 <small>ABS 2022</small>	Employed Residents 32,496 <small>NIEIR 2022</small>

In the Murraylands and Riverland region, Agriculture, Forestry and Fishing had the largest total **exports** by industry, generating **\$2.736 billion** in 2021/22.

PRESIDENT'S REPORT

*MRLGA President
Mayor Caroline Phillips*

The Murraylands and Riverland Local Government Association, along with its eight constituent councils, continued in 22/23 towards its goal of working collaboratively to be a unified local government sector working in the best interest of the region and our communities.

As Regional Councils continue their amazing efforts across the state to serve local communities, it was important that in our role as listeners and leaders we take time to talk to our neighbouring councils about shared regional issues and opportunities. Through this collaboration we set ourselves up for greater conversations, the sharing of ideas and solutions, networking, co-operation, efficiencies, support and progress. And on behalf of the Association, I wish to thank everyone, including Board Members, CEO's, Committee Members and staff for your ongoing collaborating as a sector. It is through collaboration we can achieve our goal of unity, and together we are stronger.

The year began with a continuing Board from 21/22. Many of whom were long serving elected members and Mayor's in Local Government and I'd like to acknowledge their contributions made over the years and decades of service, including Mayor Peter Hunt, Mayor Leon Stasinowsky, Mayor Dave Burgess, Mayor Neil Martinson, Mayor Brenton Lewis and Mayor Jeffrey Nickolls. Since joining the MRLGA Board I have sat with each of them at many board meetings to discuss pressures in regional communities and opportunities for strategic collaboration. The Association wishes to extend its thanks for their time, experience and collaboration, for without it, we wouldn't be where we are today to continue ongoing work.

During the first quarter of the year, the Association welcomed a new CEO, Carron McLeod. Her story, not too dissimilar to some, of growing up in region (Berri, SA) and after pursuing career opportunities in cities and interstate, ultimately decided to return to South Australia, and in this case drop her feet in a regional role. Her background in Infrastructure, Planning, Architecture and Environmental Design at both Local and State Government management positions has afforded her the opportunity to develop skills sets across a range of strategic portfolios that support the continued progress of MRLGA. I'd like to thank Ms McLeod for her strong approach to collaboration and working with others, and incrementally bringing new strategic ideas to the table.

The first quarter also saw key achievements across two regional Strategy's' including Transport, and Waste and Resource Recovery;

Through ongoing collaboration via the Regional Transport and Assets Committee, our Infrastructure leaders oversaw the 2030 Regional Transport Plan, Regional Road Hierarchy Plan and database that prioritise roads for funding. It subsequently led to a collection of grant applications through the Special Local Roads Program and the region receiving \$3.5 million in road funding. This was the largest sum received in the region to date and is a credit to the Infrastructure Managers and MRLGA for it's ongoing co-ordination to build applications up to a scope and quality that attract this scale of funding.

The ongoing collaboration to oversee the regional road network helps to list a pipeline of projects to demonstrate to State and Federal Government about regional road demands. Some councils already use the discipline and procedures developed through the 2030 Regional Transport Plan to pursue other funding opportunities to improve their road networks. This is continually encouraged and, indeed, is the prerogative of each of the councils. Together, there is opportunity to take information contained in regional plans and advocate for network improvements across the region.

The Regional Road Hierarchy Plan provides a classification system which considers the interaction of local government roads with the main arterial routes managed and owned by the state and federal governments. The Hierarchy has now been advanced to include road construction and maintenance standards and has been captured in a cloud-based Geographic Information System. As the project continues to develop, a framework for the strategic management of our roads is beginning to unfold and will undoubtedly prove to be a valuable tool for future planning and advocacy.

Another key milestone achieved was the execution of a joint Waste Services Contract between 5 participating regional Councils; Berri Barmera Council, Coorong District Council, District Council of Loxton Waikerie, Renmark Paringa Council and Rural City of Murray Bridge. LGA Procurement were engaged to run the tender

and after a much anticipated process, it successfully resulted in a new regional contract. This lays the foundation for further advancement in waste and resource management and recovery as a region. The state requirement for a Regional Waste and Resource Recovery Strategy was a positive outcome for regions as it enabled it to develop its own targets and pathways for diversion from landfill, recycling and efficiencies (different to that of metro councils) whereby it could factor in regional constraints. We also saw the collective efforts at Local Government level influence other private and public investment in the region, and on that note it welcomed the announcement that Peats Soil would be receiving funding from the Australian Government to build a composting facility in the Riverland.

As quarter two began to roll in, the Local Government elections were held and voting closed on 10 November 2022. The outcome of the 2022 elections resulted in 6 new Mayors welcomed to the region and subsequently the MRLGA Board. We formally extend our congratulations to Mayor Ella Winnall of Berri Barmera Council, Mayor Trevor Norton of District Council of Loxton Waikerie, Mayor Simone Bailey of Mid Murray Council, Mayor Peter Hunter of Renmark Paringa Council, Mayor Wayne Thorley of Rural City of Murray Bridge and Mayor Ron Valentine of Southern Mallee District Council. Mayor Paul Simmons of Coorong District Council and I were fortunate to be voted in as returning Mayors and have been delighted to welcome new people to the regional conversation.

For incoming Mayors, their onboarding was one that could only be described as expeditious. Each of whom upon being sworn in were swiftly catapulted into the epicenter of a State Emergency; The River Murray Flood. Their leadership, along with CEO's and staff across all Councils to guide preparation, response and recovery in conjunction with State services was a credit to their dedication to the role, community and fortitude as they embarked on efforts to remove, reduce or limit the impact of flood on people, property and assets where it could. Over the course of many months, MRLGA observed outstanding achievements across the region and sector from CEO's, Staff, Mayor's, Elected Members and Volunteers of all flood impacted Councils and surrounds. We extend our sincerest congratulations to the leadership, dedication, empathy, advocacy, time, courage and fortitude displayed by all in the lead up to and during the state emergency flood. Everyone performed their roles in a manner that was simply 'above and beyond', and I'm sure family, friends and colleagues will never forget it and are immensely proud.

The scale of the preparedness placed an immediate impost and large draw on local government resources, as significant numbers of staff were deployed into emergency preparedness. A visit to all Councils was done during preparedness and recovery phases of the flood, connecting with teams, listening to the issues and seeing how the impact (of a drawn-out emergency) was being experienced by local government staff. In light of resources being focused on flood preparedness, MRLGA had a two pronged approach; a) to carry on business as usual where it could (noting many CEO's, Directors and Managers who sit on committees were in full scale emergency preparedness and respect for their time and priorities was to be provided) and b) listen, observe and identify gaps where it may be able to offer skills, management, advocacy or support. A few examples of how this developed and took the form of, include:

- Attending ZEST meetings for a bird's eye view of the situation and listening to Agency, Department and Council reports. Where needs and assistance requests were emerging and/or when there were individual and shared challenges for Councils, we could be a breadth of it. That intel later led to supporting Berri Barmera Council and its Infrastructure Department for levee construction over a two week period in November/December and Mid Murray Council over Christmas/New Year holiday to provide existing staff a short relief.
- It developed a strong partnership with Wellbeing SA leaders that led to a \$90,000 grant coming into the region (which has since grown into another \$90,000 and \$125,000 funding (with no co-contribution required)). Wellbeing SA then followed this up with a visit in January 2023 with the MRLGA Board. Over the course of the partnership, we saw Wellbeing SA staff who are trained, qualified and experienced in Mental Health and Wellbeing programs liaising with Council staff delivering community services, wellbeing or grants on ground. Insight into the operations of SA Health, Housing SA during state emergency's and collective identify learnings and areas for improvement.
- Linking to the Australian Psychology Society and brokering access to their Disaster Response Network and Program, that offers free sessions and services to staff enduring emergency's. MRLGA released the offer to all flood impacted Councils as part of its collaboration.
- Setting up an interim Land Use Planning Committee whereby Councils Planning Department heads were able to convene to discuss the complexity of planning issues that were arising. Upon the first committee meeting it became apparent that the issues required all seven state agency's to be working together in consultation with Local Government, and that the issues were beyond the scope for Local Government delegation. This led to MRLGA advocating for the immediate establishment of a working group to be led by PLUS, which succeeded and the working group collaboratively developed the first release (Flood) Code amendment.
- Liaising with the LGA Local Government Functional Support team, and similarly identifying gaps and

- opportunity's for the sector to be supported, informed or efficient.
- Facilitated planning technical support from Onkaparinga City Council and Mitcham City Council to flood impacted Councils (until PLUS established the working group).
- Inviting the Deputy Premier to meet with the Board and enable advocacy to be highlighted for a 'collective review' / 'lessons learned' process, as opposed to internal/separated reviews. The meeting also highlighted the decision to review a decision for no mental health and wellbeing (post flood) funding to be set aside in the 23/24 budget.

During these times we observed the strong organisational cultures that exist in our regional Councils. No doubt the healthy cultures and positive working environments that are nurtured in the 'everyday' played a major role in the Local Government sector shining for its efforts during the event. And in many cases built a deeper trust between community and Council.

An acknowledgement of thanks is to also go out to the many regional and metro Councils who provided resources, equipment, reporting templates and other support to all flood impacted Councils. Within the region a special acknowledgement goes to Coorong District Council and Director of Infrastructure, Matt James and District Council of Karoonda East Murray Martin Borgas for staff resource and equipment during levee construction, we thank Mark Coulter and Anthony McKenzie for their fantastic work.

As the region approaches its one-year milestone (to the date of the declared emergency) business as usual has returned for many. Recovery though, continues along side this and to varying degrees through river side towns. MRLGA hope to continue to support its constituent councils through the recovery journey and recognise the importance of collaboration and efficiency during emergency events. The more we can do to plan and be prepared for future emergency's only helps staff, community's, businesses, assets, environment and region to endure and recover. As such, we'll continue to offer the MRLGA platform for collaboration and to support advancements in joint planning and preparation.

Side step across into MRLGA business as usual, and one project that was placed on hold during the flood was the MRLGA Water Advocacy Paper. Now due for completion in late 2023. The purpose of the paper is to strategically acknowledge the importance of water to the region in all facets. With the Murray Darling Basin Plan subject to formal review in 2024-26, it took a proactive role to start building the foundations for collaborative agreements and shared opportunities and challenges. With the peak of the flood now passed, the paper has been revived and engagement with First Peoples and stakeholders to recommence.

In closing, I sincerely wish to thank all constituent councils and MRLGA Board Members for the opportunity to be the MRLGA President. The work and service undertaken by our CEO for the Association is valued and I can see our cumulative team work, cooperation and collaboration building with each year passing.

I also wish to thank Deputy President, Mayor Paul Simmons for not only stepping into the role, but representing the region through his involvement in the SA Regional Organisation of Councils. Through his role as Deputy, Mayor Simmons brought a calm and experienced approach to board and planning day sessions at MRLGA as well as SAROC and I wish to recognise the many days of contributions he has made in 22/23.

As I look to the next 12-18 months, I see the benefit of MRLGA platforms. With new state and federal governments elected, it is important that local government demonstrate a coordinated and cohesive approach to preparing place based regional strategy's and advocating for their communities.

We also acknowledge the Mayors and Councilors who served the first of a four year term to its communities. There's a lot of work that goes unseen in roles, plenty of expectation and a responsibility to carry out our duties in the interest of all, with impartiality. Congratulations on your achievements in the first year, and together we can continue growing the regional community of 73,000 onwards and upwards.

Lastly, as change naturally occurs in the region and we endeavor to keep up with the pressure, expectations and an emerging modern world, it highlights the importance of collaboration. We exist beyond our own council boundaries and quite often we can gain more by working together at all levels of Council and all levels of Government. Thank you again for the work you do in all regional communities and the MRLGA looks forward to consolidating on its current work, as together we collaborative, identify and advance the sector where we can for the benefit of the region and our community's.

Mayor Caroline Phillips

MRLGA Board:

The MRLGA Board met quarterly. Membership of the Board is filled by the Principal Members (Mayor) of each Constituent Council. Meetings of the Board were held on:

1. Friday 26 August 2022
2. Friday 9 December 2022 (postponed due to State Emergency Floods)
3. Friday 20 January 2023
4. Thursday 20 April 2023
5. Wednesday 10 May 2023

The meetings of the Board also provided a forum for updates from:

- LGA SA Secretariat
- Regional Development Australia, Murraylands and Riverland
- PIRSA
- Landscape Board, Murraylands and Riverland
- Wellbeing SA
- Members of Parliament

SA Regional Organisation of Councils

The South Australian Regional Organisation of Councils (SAROC) is a Committee of the LGA that meets bimonthly to focus on key issues affecting country Councils.

MRLGA representatives at SAROC in 2022/23 were President, Mayor Peter Hunt and Deputy President Mayor Caroline Phillips from July to November 2022. In January 2023, the SAROC Representatives voted in were Mayor Caroline Phillips and Mayor Paul Simmons.

MRLGA supports SAROC by attending meetings, submitting items of business and preparing regional reports. The committee met on:

- 21 July 2022
- 14 September 2022
- 28 October 2022
- 19 January 2023
- 2 March 2023
- 11 May 2023

A link to the 2022-23 SAROC Annual Business Plan (as adopted by the LGA Board of Directors, pages 43-51) is provided below outlining the key priorities, projects and deliverables set by the region for LGA.

https://www.lga.sa.gov.au/data/assets/pdf_file/0021/1147008/Public-LGA-Board-of-Directors-Agenda-19-May-2022.pdf

An overview of the initiatives listed in the Annual Business Plan for 22/23 include:

- Housing supply and affordability
- Digital Connectivity
- Regional Medical workforce
- Hoarding and Squalor
- Planning Reforms
- Jetties – Asset Management
- Coastal Management
- Water Policy
- Circular Economy and regional waste management
- Cat Management
- Rating equity and mandatory rebates

CEO Network

The MRLGA CEO Network is established as a strategic advisory group to the MRLGA Board as well as to assist and advise the MRLGA CEO in governance, project delivery and the development and implementation of the Annual Business Plan, or other plans. As the name suggests its membership is the CEOs of the eight constituent councils. The Charter outlines at Clause 7.11.8 that the Network will operate on an informal basis, and is therefore not subject to formal meeting procedures.

The Network provided a range of support including oversight, updates, feedback, guidance and discussion regarding :

- Onboarding and establishment of the new CEO
- MR (Drought Resilience) Plan
- MRLGA's role in the Flood
- 22/23 SLRP
- Water Position Paper
- Waste and Resource Recovery Strategy (and Contracts) and future resourcing
- VIC Cross Border Commissioner update
- Using Regional Plans (by DTI) to advocate for freight routes

The MRLGA wishes to acknowledge the enormous dedication that regional CEO's play each and every day in our region to:

- Support healthy teams and cultures amongst staff and working environments at Council's
- Guiding successful services, governance, reporting and oversight to Council operations
- Providing leadership, strategic thinking (for micro and macro applications) and professionalism to the local government sector and more.

The role they play is instrumental in setting the tone of successful Council operations, and without them the MRLGA would not be as enhanced and capable as it is without them, both individually and collectively.

The 22/23 year was significantly consumed by planning, preparation, responding and recovering to flood for many of them.

Beginning in October 2022, the peak struck in January 2023 but recovery is ongoing even though business as usual returned early 2023. The State has described the event as one of the largest emergency's the state has endured and the outstanding efforts from all flood impacted CEO's and Staff warrant the highest recognition and respect. In recognition of the CEO's from flood impacted Councils we list (from the border, south):

- Tony Siviour, Renmark Paringa Council
- David Beaton, District Council of Loxton Waikerie
- Dylan Strong, Berri Barmera Council
- Ben Scales, Mid Murray Council,
- Michael Sedgeman and Heather Barclay, Rural City of Murray Bridge
- Bridget Mather, Coorong District Council

MRLGA also wishes to acknowledge CEO, Martin Borgas of District Council of Karoonda East Murray who provided operational staff and equipment to a neighbouring council for immediate levee construction during the event. It goes to show that no matter the size of a Council, the spirit of giving and supporting others in tough times exists in our regional community.

Overall the year for regional CEO's across the region was a success. Constantly going above and beyond to position Council's to be the best they can and through their leadership, they continue to advance regional Councils. Now business has returned back to normal for many flood impacted Councils, MRLGA looks forward to engaging with the network and providing a platform for these amazing leaders to collaborate and continue to identify the opportunities that benefit the regional community.

Placed Based Regional Strategies *(Collaborating for efficiency and community. Delivered through Committees)*

Statutory strategy pursuant to the Public Health and Wellbeing Act

The MRLGA Regional Public Health and Wellbeing Committee includes Directors, from each of the 8 constituent councils with the Public Health and Wellbeing portfolio.

Key activities included:

- Strategy was released in 2022.
- Compilation and finalising of Section 52 (*Public Health Act 2011*) reports for the Deputy Chief Public Health Officer for submission by September 2022.
- An external services agreement with RDAMR to provide PH&W Co-ordination services was placed on hold and reviewed. A further review of the nature and scale of administration and resource support required by MRLGA to deliver parts of the regional strategy is underway.
- Goal 3 of the Strategy relates to Emergency Management. MRLGA undertook the following activities in accordance with the Strategy:
 - Obtained funding for wellbeing resources during the floods.
 - Participate and respond to decisions of the Murray and Mallee Zone Emergency Management Committee
 - Share resources to help ensure our community is prepared and knows how to respond in an emergency.
 - Participated in emergency management and disaster response planning.

Statutory strategy pursuant to the Waste and Resource Recovery Strategy

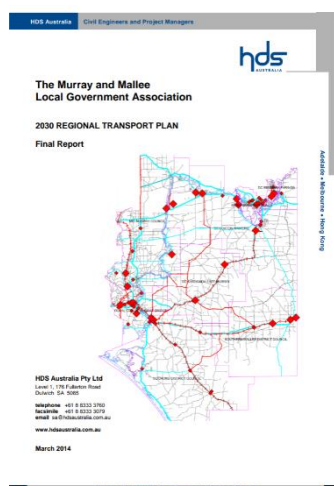

The MRLGA Regional Waste & Resource Recovery Committee includes Directors from each of the 8 constituent councils.

Key activities included:

- Establishment of a Regional Waste and Resource Recovery Committee was established in January 2023.
- Award and contract execution of a regional wide waste services contract.
- Establishment of a Regional Performance Working Group, with representation from all 5 regional councils participating in the waste services contract, and a 6 regional council is an observatory capacity.
- Submission to the CEO Network tabling resourcing options and needs to support delivery of the strategy.
- Partnership building with other Councils in regards to the scope and methods for Education Officers on waste strategy's and kerbside pick up changes.

Collaborative strategy enabling better funding to the region for roads.

MRLGA Regional Transport and Assets (RTA) Committee is a forum that brings together the Directors of Infrastructure, Assets and Environment from each of the 8 constituent councils.

Key activities of the committee included:

- An update to the 2030 Regional Transport Plan during 22/23 which included;
 - Update to the Regional Roads Action Plan
 - Walker Flat Road in District Council of Karoonda East Murray was upgraded to a regionally significant freight route.
 - Co-ordinated the application process for Councils to the Special Local Roads Program.
 - Subsequent submission of four projects for SLRP funding in May 2023.
- Enhancement of MRLGA Regional Roads GIS
- Roads Construction and Maintenance Standards Update

Following a report developed through SAROC on regional roads, the MRLGA participated in a working group with DIT to begin to discuss the findings of the report.

Collaborative piece to facilitate early discussions ahead of stakeholder engagement for Murray Darling Basin Plan (2.0).

MRLGA successfully received a grant from Building Better Regions Fund (BBRF) in 21/22 to support the development of a water position paper. Jacobs Consulting were engaged to prepare the paper in response to stakeholder workshops, working group meetings, census data and specialist knowledge on the Murray Darling Basin. Meetings with the Working Group were held across up to 2022.

The paper intends to :

- Acknowledge the regions dependency on water, and begin to decipher the role Local Government can play in water advocacy and water management,
- Identify advocacy topics to support local and regional communities, industries, the environment, first nations and stakeholders,
- Identify opportunities if/when all levels of government can collaborate for the betterment of easier process' and less politicised environments
- Acknowledge the Murray Darling Basin Plan review will commence soon, and how the MRLGA and its constituent councils can prepare for the review
- Identify opportunities where Local Government can adopt best practice water management principles as well as plan for and respond to moments of flood and drought.

The document is accompanied by a Regional Impact Statement. The paper was delayed while floods occurred and is planned for finalisation in late 2023.

In addition to looking within the regional sector for collaboration, efficiency, shared resources, knowledge or other opportunities, the Association collaborated other Regional LGA's.

Regional LGA's, Chief Executive Officers

The Regional LGA's CEO Group is an informal meeting of Executive Officers of the Regional Local Government Associations. Functions of the Management Group include:

- Provide input into SAROC Business Plan and the Agenda
- Develop a working relationship with the LGA Management team
- Advocate on behalf of the regions and regional initiatives
- Share information and provide collegiate support
- Coordinate collaborative project activity

Meetings of the Management Group were held on:

1. Thursday, 8 July 2021
2. Monday, 6 September 2021
3. Tuesday, 8 February 2022
4. Thursday, 28 April 2022

The Association also availed itself to other opportunities occurring in the region including:

Future Drought Fund

In 20/21 two South Australian regions were selected to participate in a pilot year to develop Regional Drought Resilience Plans. The plans in SA were funded by the Australian Government's Future Drought Fund Program: Regional Drought Resilience Planning Program to the approximate value of \$1.18m.

The MRLGA were invited to participate in a joint partnership with Regional Development Australia, Murraylands and Riverland (RDAMR) and Landscape Board, Murraylands and Riverland to develop a regional drought resilience plan.

For more information on the background, process or a copy of the plan, please visit:

- MR Plan landing page
<https://www.mrplan.com.au/theplan>
- The Process
[https://rdamr.com.au/information/mrplan/#:~:text=The%20Murraylands%20and%20Riverland%20Plan%20\(MR%20Plan\)%20is%20about%20supporting,Riverland%20towards%20achieving%20this%20vision.](https://rdamr.com.au/information/mrplan/#:~:text=The%20Murraylands%20and%20Riverland%20Plan%20(MR%20Plan)%20is%20about%20supporting,Riverland%20towards%20achieving%20this%20vision.)
- Future Drought Fund, Regional Drought Resilience Program
<https://www.agriculture.gov.au/agriculture-land/farm-food-drought/drought/future-drought-fund/regional-drought-resilience-planning#daff-page-main>

The Murraylands and Riverland (MR) (Drought Resilience) Plan was finalised as draft in May 2022 and submitted to PIRSA and CSIRO for review. In November 2022 CSIRO released a report on its review and provided 19 items of feedback. The Steering Committee reviewed the feedback and comments to the CSIRO report were submitted back as part of next steps to the funding program.

Operational (external) Service Agreements

The list below outlines the Service Agreements MRLGA held in 22/23 to support operations:

- Regional Development Australia (Murraylands and Riverland), Public Health and Wellbeing Co-ordinator Services (in Q1 and Q2)
- Payroll and BAS services provided by EKM Accounting (22/23).

2022 / 2023 Audit

The 22/23 external audit was undertaken by Dean Newbery (ABN 30 164 612 890)

Murraylands and Riverland Local Government Association

Notes to and forming part of the Financial Statements

for the year ended 30 June 2023

Note 1 - Significant Accounting Policies

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

1 Basis of Preparation

1.1 Compliance with Australian Accounting Standards

This general purpose financial report has been prepared on a going concern basis using the historical cost convention in accordance with Australian Accounting Standards as they apply to not-for-profit entities, other authoritative pronouncements of the Australian Accounting Standards Board, Interpretations and relevant South Australian legislation.

The financial report was authorised for issue by certificate under regulation 14 of the Local Government (Financial Management) Regulations 2011.

1.2 Historical Cost Convention

Except as stated below, these financial statements have been prepared in accordance with the historical cost convention.

1.3 Critical Accounting Estimates

The preparation of financial statements in conformity with Australian Accounting Standards requires the use of certain critical accounting estimates and requires management to exercise its judgement in applying Association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are specifically referred to in the relevant sections of these Notes.

1.4 Rounding

All amounts in the financial statements have been rounded to the nearest dollar.

2 The Local Government Reporting Entity

The Association is a Regional Subsidiary under Section 43 and Schedule 2 of the SA Local Government Act 1999.

The Constituent Councils are:

Berri Barmera Council
Coorong District Council
District Council Loxton Waikerie
District Council Karoonda East Murra
Mid Murray Council
Renmark Paringa Council
Rural City of Murray Bridge
Southern Mallee District Council

All funds received and expended by the Group have been included in the Financial Statements forming part of this Financial Report.

3 Income recognition

3.1 Revenue

The Association recognises revenue under AASB 1058 Income of Not-for-Profit Entities (AASB 1058) or AASB 15 Revenue from Contracts with Customers (AASB 15) when appropriate.

In cases where there is an 'enforceable' contract with a customer with 'sufficiently specific' performance obligations, the transaction is accounted for under AASB 15 where income is recognised when (or as) the performance obligations are satisfied (i.e. when it transfers control of a product or service to a customer). Revenue is measured based on the consideration to which the Association expects to be entitled in a contract with a customer.

Murraylands and Riverland Local Government Association

Notes to and forming part of the Financial Statements

for the year ended 30 June 2023

Note 1 - Significant Accounting Policies

In other cases, AASB 1058 applies when Association enters into transactions where the consideration to acquire an asset is significantly less than the fair value of the asset principally to enable the entity to further its objectives. The excess of the asset recognised (at fair value) over any 'related amounts' is recognised as income immediately, except in the case where a financial asset has been received to enable the Association to acquire or construct a recognisable non-financial asset that is to be controlled by the Association. In this case, the Association recognises the excess as a liability that is recognised over time in profit and loss when (or as) the entity satisfies its obligations under the transfer.

4 Cash, Cash Equivalents and Other Financial Instruments

4.1 Cash, Cash Equivalent Assets

Cash assets include all amounts readily convertible to cash on hand at Association's option with an insignificant risk of changes in value with a maturity of three months or less from the date of acquisition.

4.2 Other Financial Instruments

All receivables are reviewed as at the reporting date and adequate allowance made for amounts the receipt of which is considered doubtful.

All financial instruments are recognised at fair value at the date of recognition, except for trade receivables from a contract with a customer, which are measured at the transaction price.

5 Payables

5.1 Goods & Services

Creditors are amounts due to external parties for the supply of goods and services and are recognised as liabilities when the goods and services are received. Creditors are normally paid 30 days after the month of invoice. No interest is payable on these amounts.

5.2 Payments Received in Advance & Deposits

Amounts (other than grants) received from external parties in advance of service delivery, and security deposits held against possible damage to Association assets, are recognised as liabilities until the service is delivered or damage reinstated, or the amount is refunded as the case may be.

6 GST Implications

In accordance with UIG Abstract 1031 "Accounting for the Goods & Services Tax"

- Receivables and Creditors include GST receivable and payable.
- Except in relation to input taxed activities, revenues and operating expenditures exclude GST receivable and payable.
- Non-current assets and capital expenditures include GST net of any recoupment.
- Amounts included in the Statement of Cash Flows are disclosed on a gross basis.

7 New and amended standards and interpretations

The Association applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 January 2022. New standards and amendments relevant to the Association are listed below. The Association has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

for the year ended 30 June 2023

Note 1 - Significant Accounting Policies

8 Superannuation

The Association contributed the statutory 10.5% Superannuation Guarantee to the nominated superannuation fund of the Executive Officer.

9 Provisions

9.1 Employee Benefits

Liabilities for employee's entitlements to salaries, wages and compensated absences expected to be paid or settled within 12 months of reporting date are accrued at nominal amounts (including payroll based on-costs) measured in accordance with AASB 119.

Liabilities for employee benefits not expected to be paid or settled within 12 months are measured as the present value of the estimated future cash outflows (including payroll based on-costs) to be made in respect of services provided by employees up to the reporting date.

No accrual is made for sick leave as Council experience indicates that, on average, sick leave taken in each reporting period is less than the entitlement accruing in that period, and this experience is expected to recur in future reporting periods. No payment is made for untaken sick leave.

10 Contingent Liabilities and Contingent Assets

At 30 June 2023, the Association is unaware of any liability, contingent or otherwise, which has not already been recorded elsewhere in this financial report.

11 Events after the end of the reporting period

There are no events subsequent to 30 June 2023 that need disclosure in the financial statements.

12 Economic Dependence

The Association is dependent on the Local Councils within its jurisdiction and other funding bodies for the majority of the revenue used to operate the business. At the date of this report, the Board believe that the Local Councils and other bodies will continue to fund the Association.

Net Cash provided by (or used in) operations	<u>159,608</u>	<u>(132,832)</u>

Murraylands and Riverland Local Government Association

Notes to and forming part of the Financial Statements

for the year ended 30 June 2023

Note 7 - FINANCIAL INSTRUMENTS

All financial instruments are categorised as *loans and receivables*.

Accounting Policies - Recognised Financial Instruments

Bank, Deposits at Call, Short Term Deposits **Accounting Policy:** initially recognised at fair value and subsequently measured at amortised cost, interest is recognised when earned

Terms & conditions: Short term deposits are available on 24 hour call with the LGFA and have an interest rate of 4.3% as at 30 June 2023 (2022: 1.05%)

Carrying amount: approximates fair value due to the short term to maturity.

Receivables - Trade and other debtors

Accounting Policy: Carried at nominal value

Terms & conditions: Amounts due have been calculated in accordance with the terms and conditions of the respective programs following advice of approvals, and do not bear interest.

Carrying amount: approximates fair value.

Liabilities - Creditors and Accruals

Accounting Policy: Liabilities are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Association.

Terms & conditions: Liabilities are normally settled on 30 day terms.

Carrying amount: approximates fair value.

Murraylands and Riverland Local Government Association
Notes to and forming part of the Financial Statements
for the year ended 30 June 2023

Note 7 - FINANCIAL INSTRUMENTS (con't)

Net Fair Value

All carrying values approximate fair value for all recognised financial instruments. There is no recognised market for the financial assets of the Association.

Risk Exposures:

Credit Risk represents the loss that would be recognised if counterparties fail to perform as contracted. The maximum credit risk on financial assets of the Association is the carrying amount, net of any impairment. All Association investments are made with the SA Local Government Finance Authority and are guaranteed by the SA Government. Except as detailed in Note 4 in relation to individual classes of receivables, exposure is concentrated within the Association's boundaries, and there is no material exposure to any individual debtor.

Market Risk is the risk that fair values of financial assets will fluctuate as a result of changes in market prices. All of Association's financial assets are denominated in Australian dollars and are not traded on any market, and hence neither market risk nor currency risk apply.

Liquidity Risk is the risk that Association will encounter difficulty in meeting obligations with financial liabilities. In accordance with the model Treasury Management Policy (LGA Information Paper 15), liabilities have a range of maturity dates. The Association also has available a range of bank overdraft and standby borrowing facilities that it can access.

Interest Rate Risk is the risk that future cash flows will fluctuate because of changes in market interest rates. The Association has a balance of both fixed and variable interest rate borrowings and investments. Cash flow fluctuations are managed holistically in seeking to minimise interest costs over the longer term in a risk averse manner.
