

Request for removal of Domestic Waste Bin service charge

Council recognises the 2022/23 River Murray Flood event has left many properties along the river uninhabitable and requiring demolition. Properties that meet the eligibility criteria can apply to surrender their bins and have the service charge temporarily removed from their rates notice.

Who is eligible?

Properties where the dwelling is uninhabitable and will be demolished within the next 18 months as a result of the 2022/23 River Murray Flood. A third party assessment report, from an insurance assessor, engineer or JLG/DMA, is to be provided to Council as part of the application, in addition to meeting the criteria list in the declaration below.

IMPORTANT *Application for a rebate must be received by Mid Murray Council by 30 June, 2024.*

Name:	_____	Phone:	_____
Email:	_____		
Assessment No:	A _____	(top right of rate notice)	
Property Address:	_____		

I declare that:

- The above property has been severely damaged by the 2022/23 River Murray Flood, the dwelling is uninhabitable and will be demolished in the next 18 months based on third party assessment;
- A third party assessment report, from an insurance assessor, engineer or JLG/DMA has been attached to this application;
- There will be no temporary accommodation on the said property;
- I would like to surrender the property's General Waste bin and if applicable the Kerbside Collection of Recyclables bin;
- I am willing to be contacted by the Council to arrange the **empty bin/s** to be collected;
- I understand that this information and reports may be used to notify other State Government Agencies (i.e. Office of the Valuer-General);
- I understand that the bin charge and bin receptacle will be reinstated upon redevelopment of the property.
