Morgan & Cadell

12/07/16

The big picture:

Priorities

Youth: [young children, older children and youth (8 – 13 years and 13-17 years old)] Needs to be a focus. A place – Oval area/safe space. Half pipe is well liked. Mobile Skate Park is well used. Units on Tenth street – old netball courts > options.

Main streets: If people feel comfortable they will stay.

- Trees
- art work
- mosaic
- canvas flags
- plants/garden/vegetation

Riverfront:

- Boat ramp
- Carpark Sealing? Cars park everywhere. Trailers park there.
- Water standpipe, not clearly defined, traffic from ferry

Jetty:

- Swimming area use to be more defined – kids go where boats go.
- Therefor mooring boats – boat ramp
- Dangerous for kids

River: reestablishment of banks removal of reeds and willows between ferry and wharf, upstream of the ferry – western bank.

- Walkways steep = improved access to river
- No drinking water = on the riverfront
- No BBQ facilities on riverfront – green area
- Trees

Issues exaggerated as improve the riverfront.

Camping: Need for accommodation

- Camping areas
- People free camp = need dedicated areas
- Flexible space – old oval potential
- Morgan conservation area – people camo
- Dedicated area in the town

Bin banks:

- Environmental impact
- People should be responsible for own rubbish
- Shack owners ignorance – transfer stations need to promote
- **Solution** – removal of bin banks and promotion of user pays criteria

Trails:

- History is River and Rail = connect the two
- Road reserve = Stock Route Road
- Morgan to Cadell trail potential (was mapped)
- Bike strategy – Bike trails shack area into towns
- No. of activities - paddling trails (mapped) – whole river, points of interest/stop off areas
- Rail corridor links to Mawson and Flinders – Kapunda, Morgan > towards Kapunda.
- European Tourists
